Coordinator—Cindy Simpkins
Advisor—Mr. Day

At first, we seemed so vulnerable, so inexperienced.
We sought our own identities yet without companionships
we would surely die...

Through time, we became exposed to change. We were able to adjust and become aware of our surroundings. Envolvement was the key to a once forbading door...

During the kick-off, the crowd displays mixed emotions.

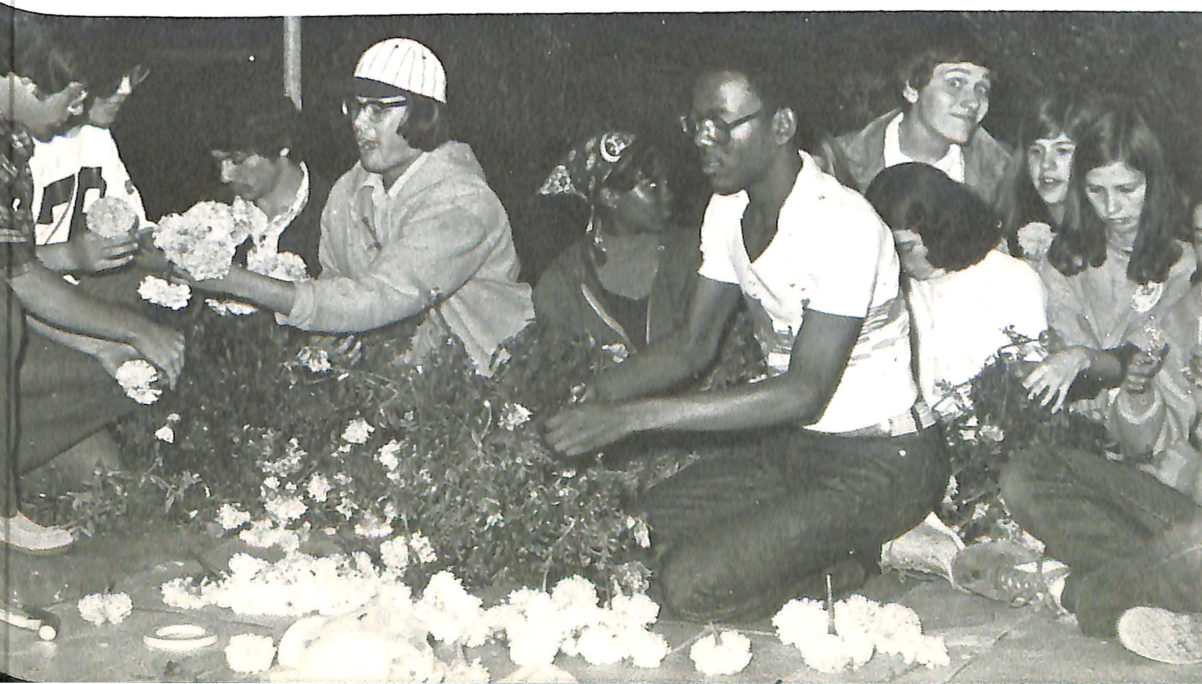

Everyone seems concerned with the making of the senior float, but Charles Johnston has other things on his mind.

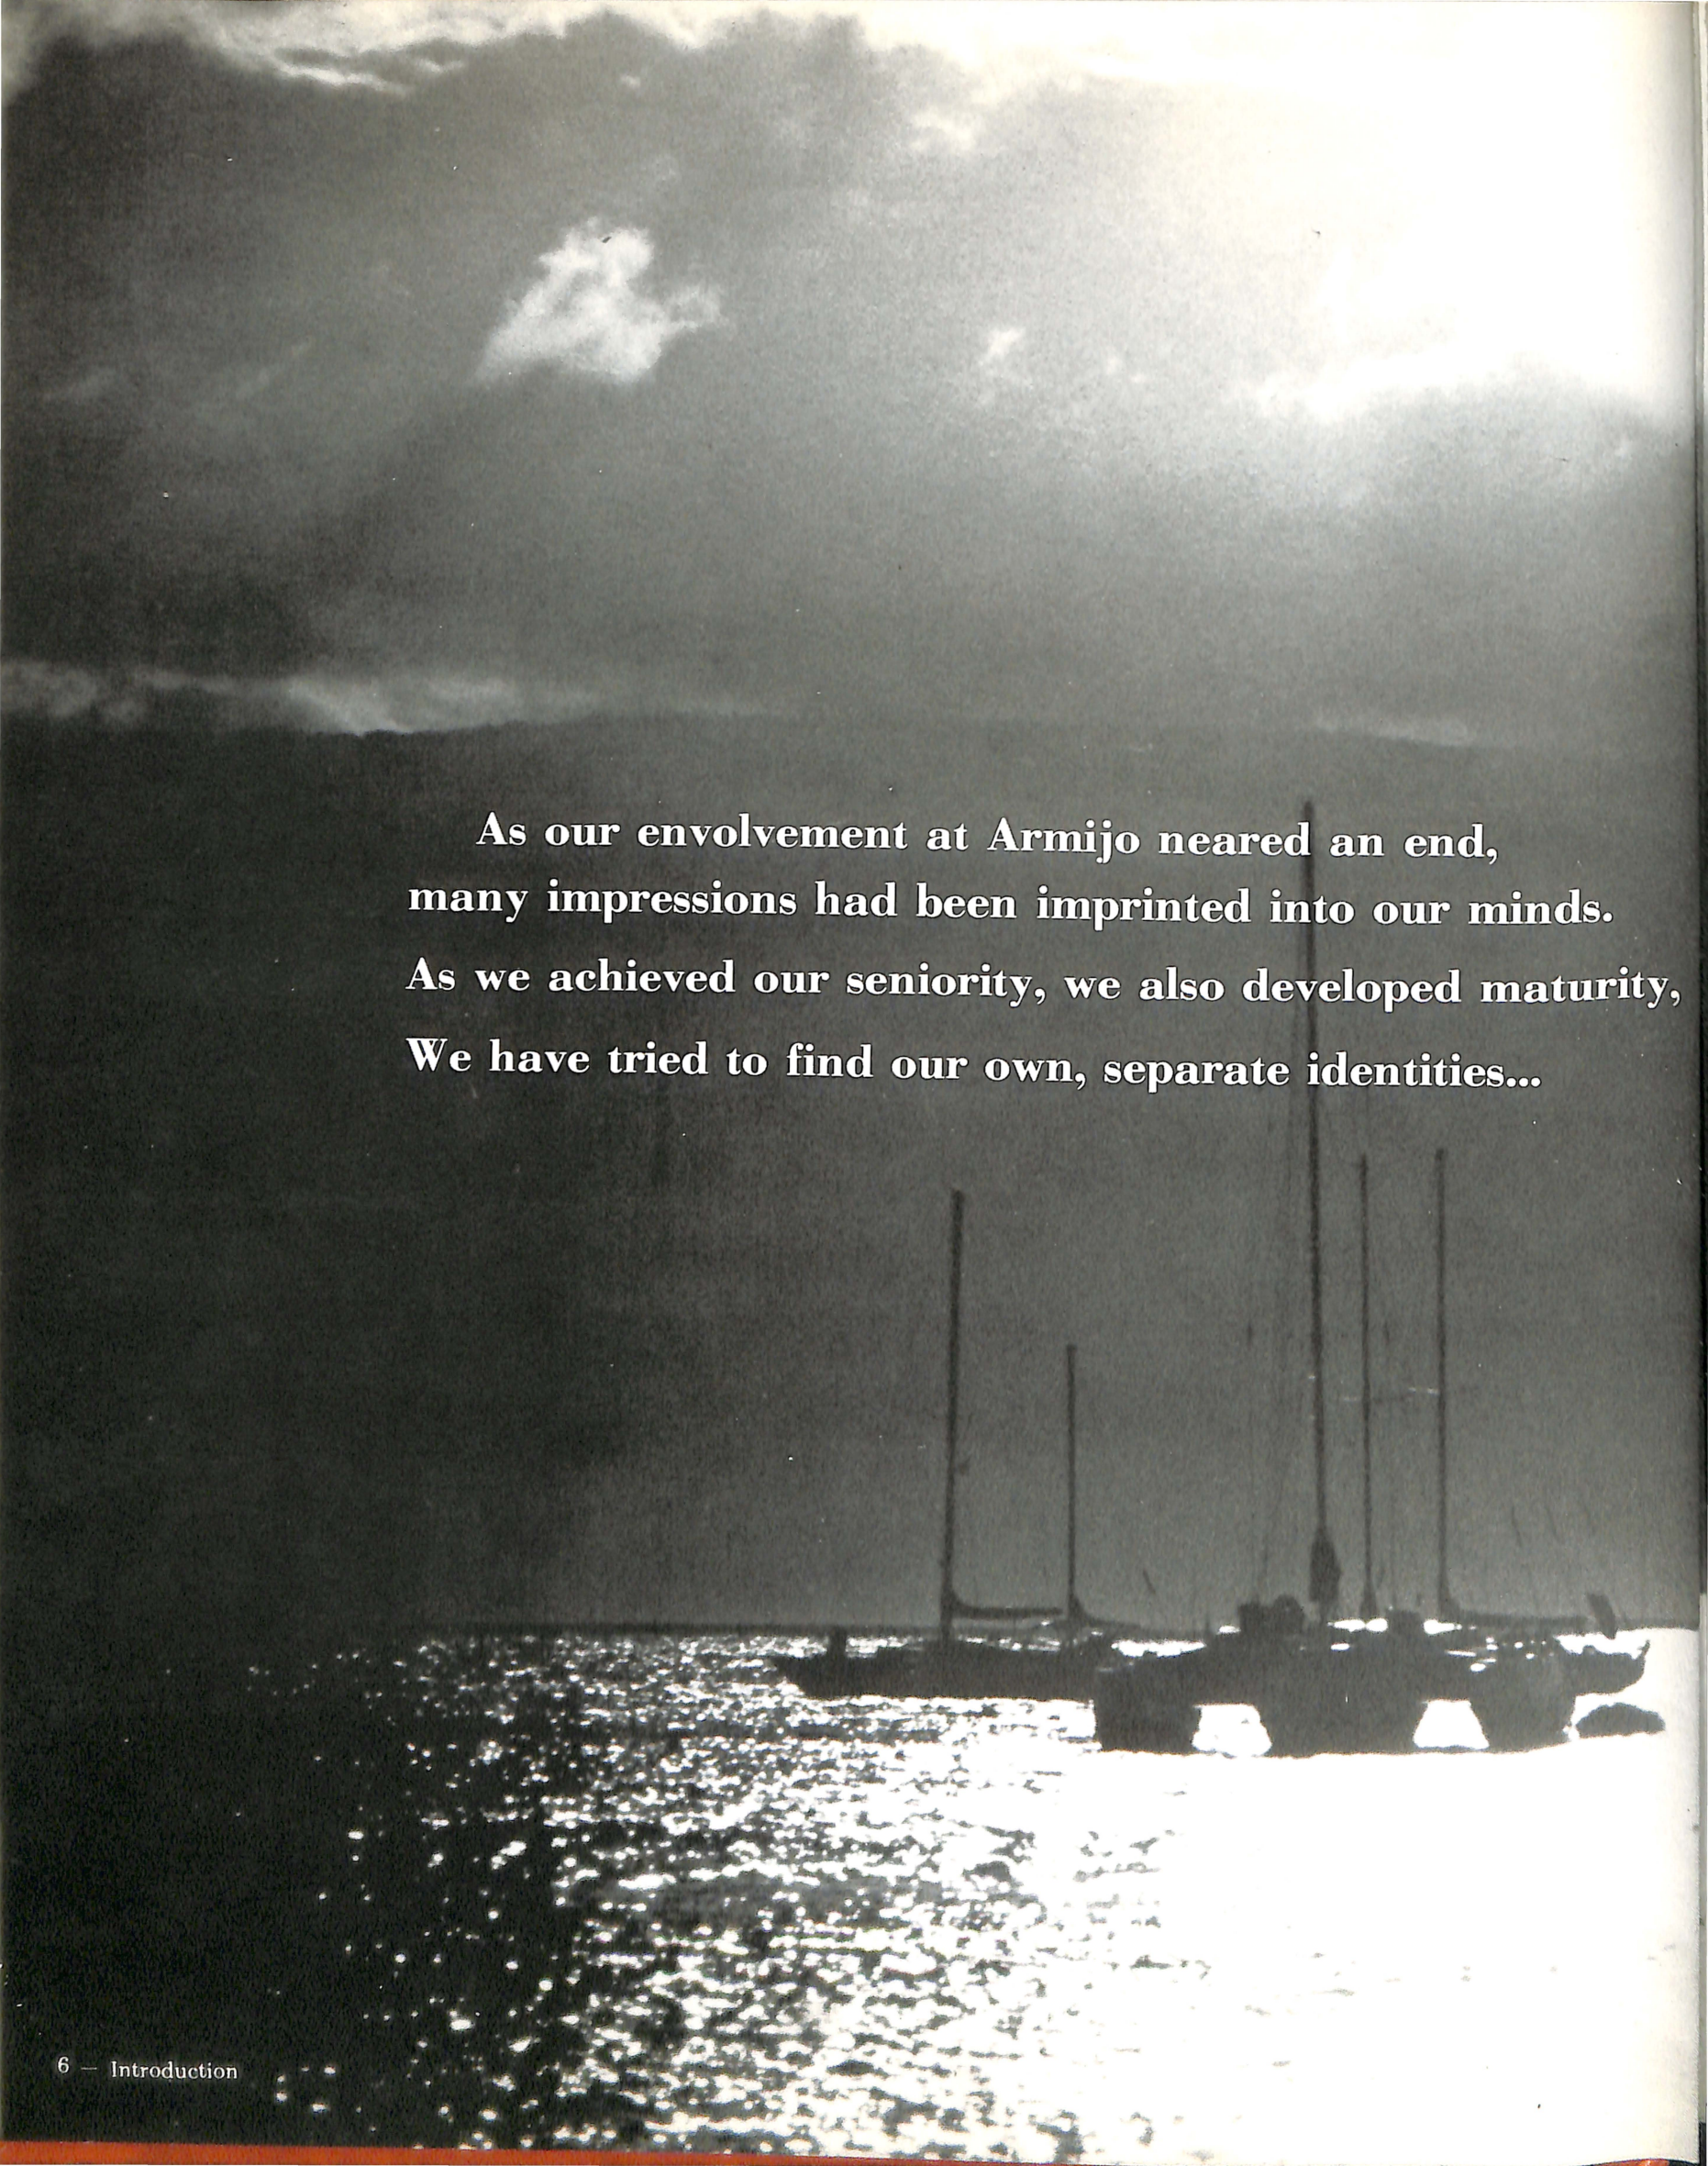

Competition between the freshmen and sophomores seem many, especially at the FROSH-SOPH scramble.

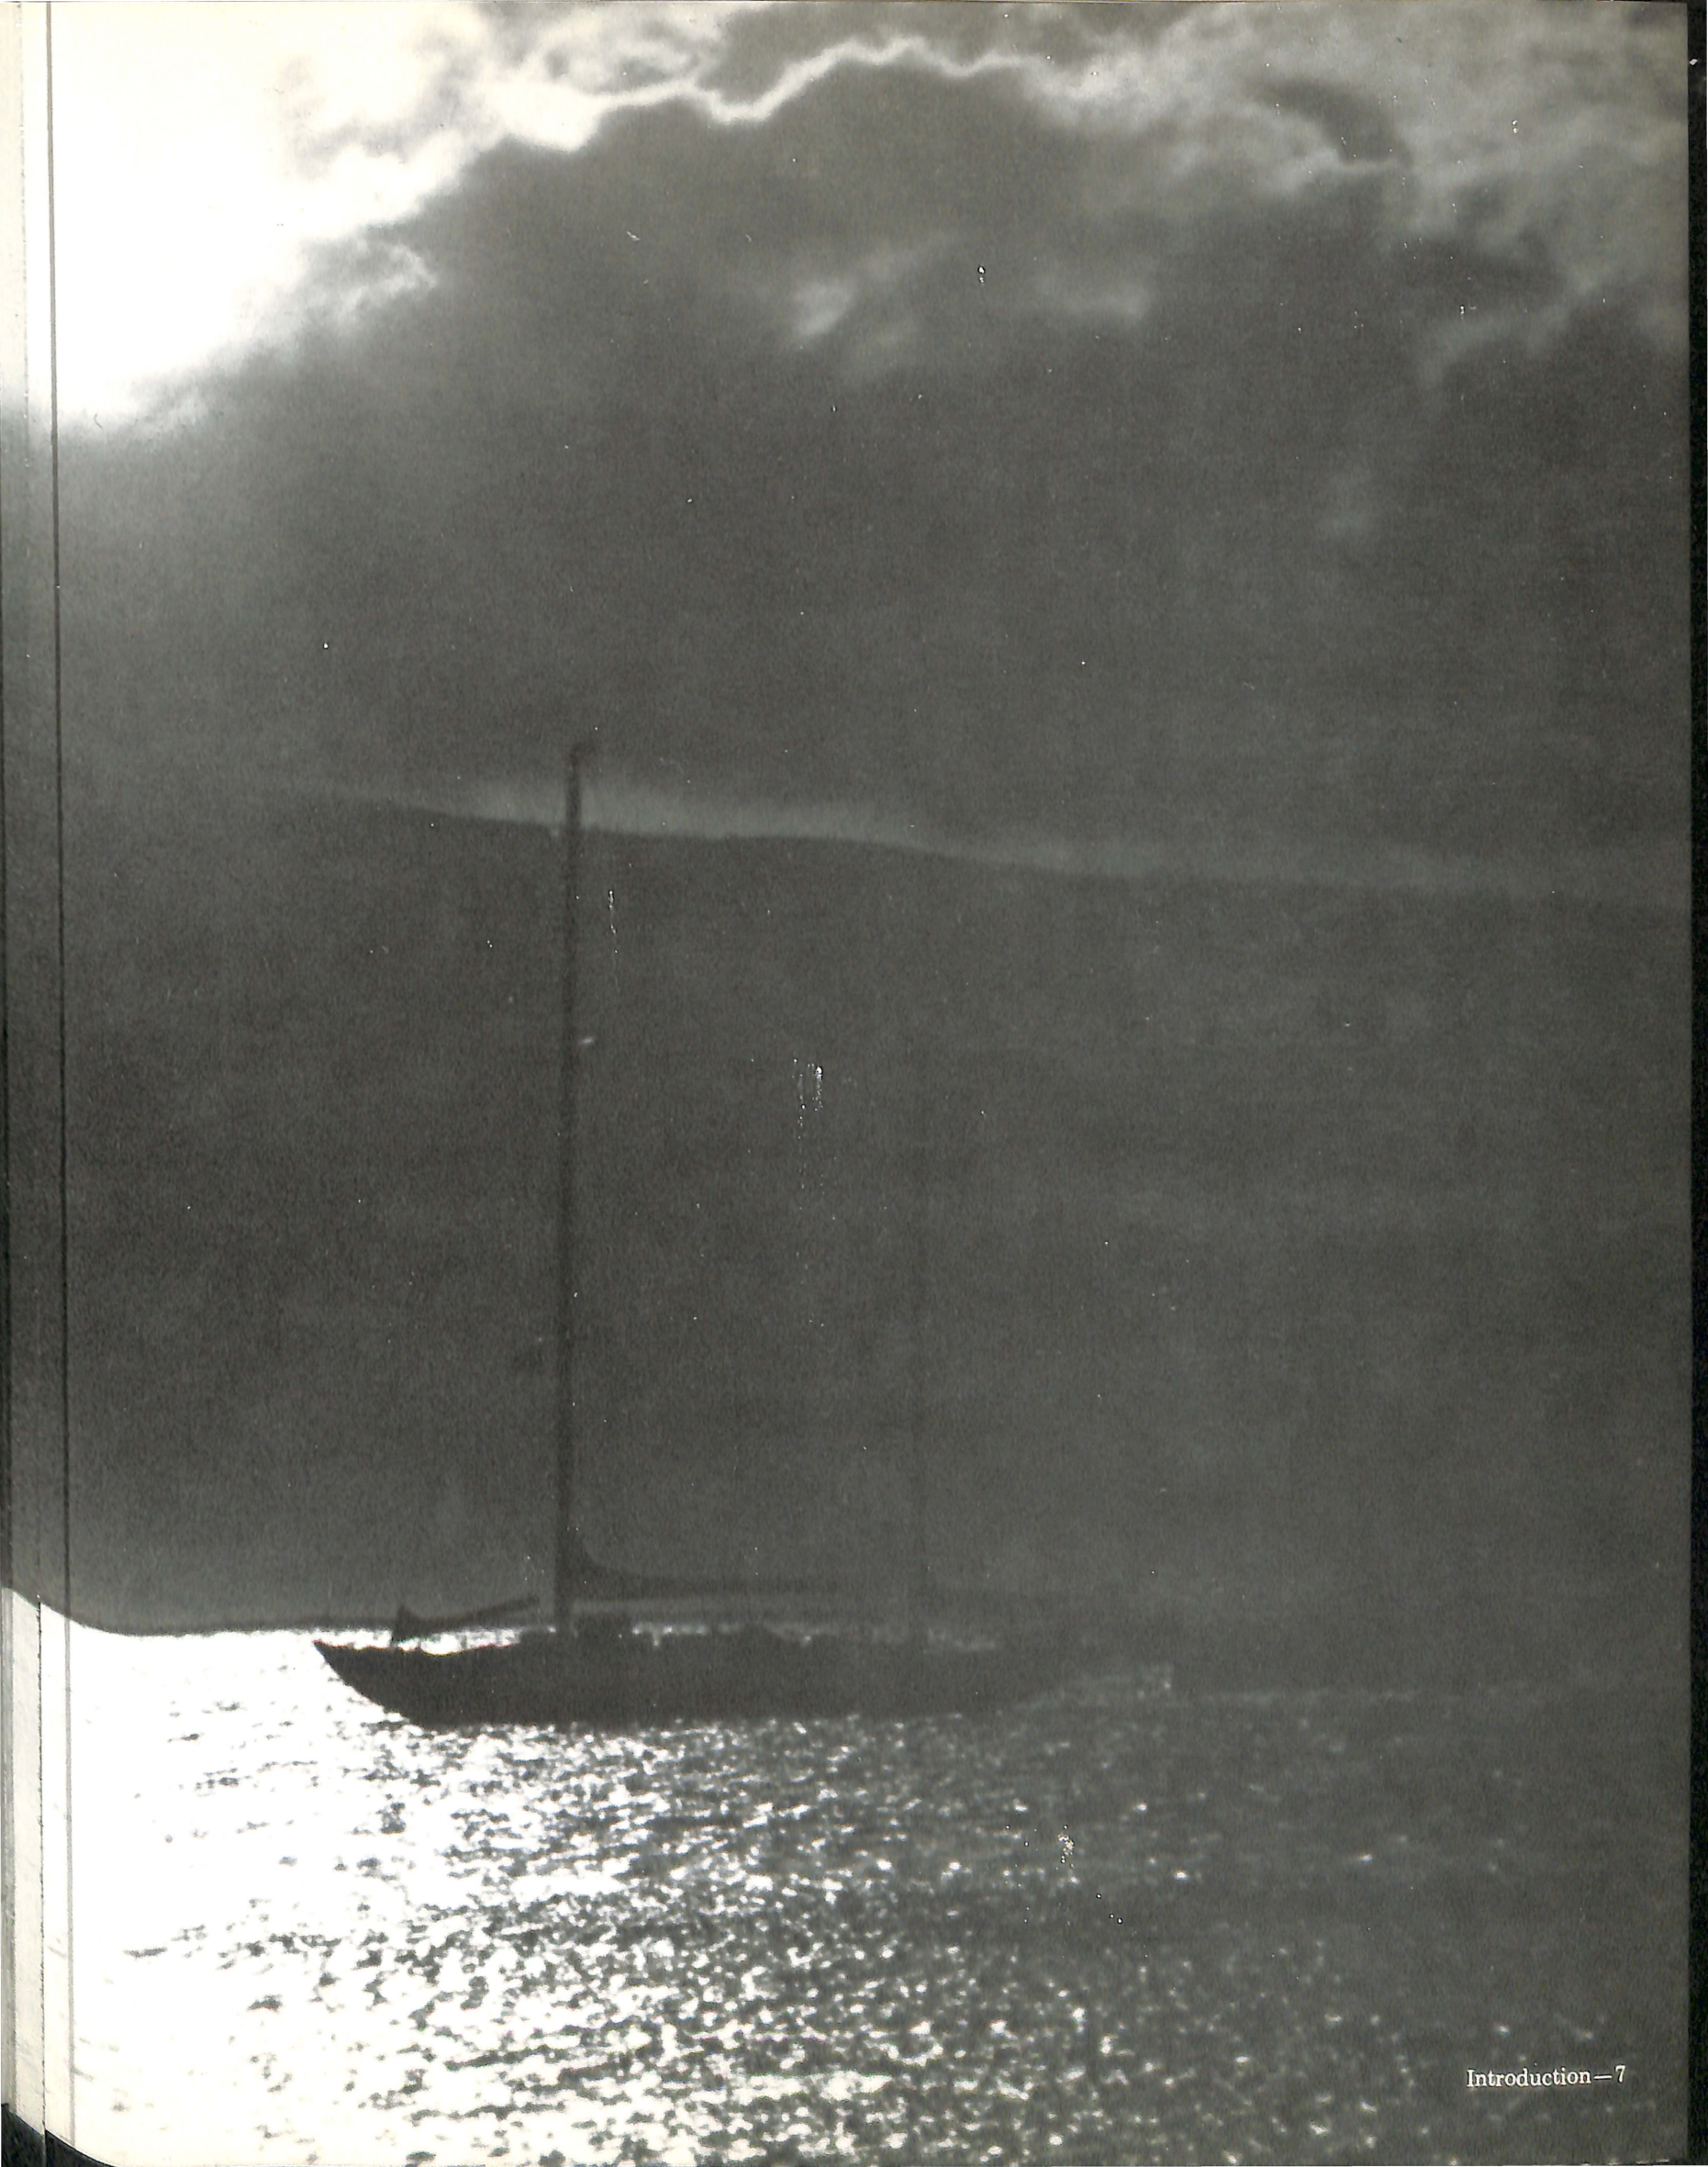

Dave Ranaud and Challie Foster listen to the experienced Mrs. Potosnak.

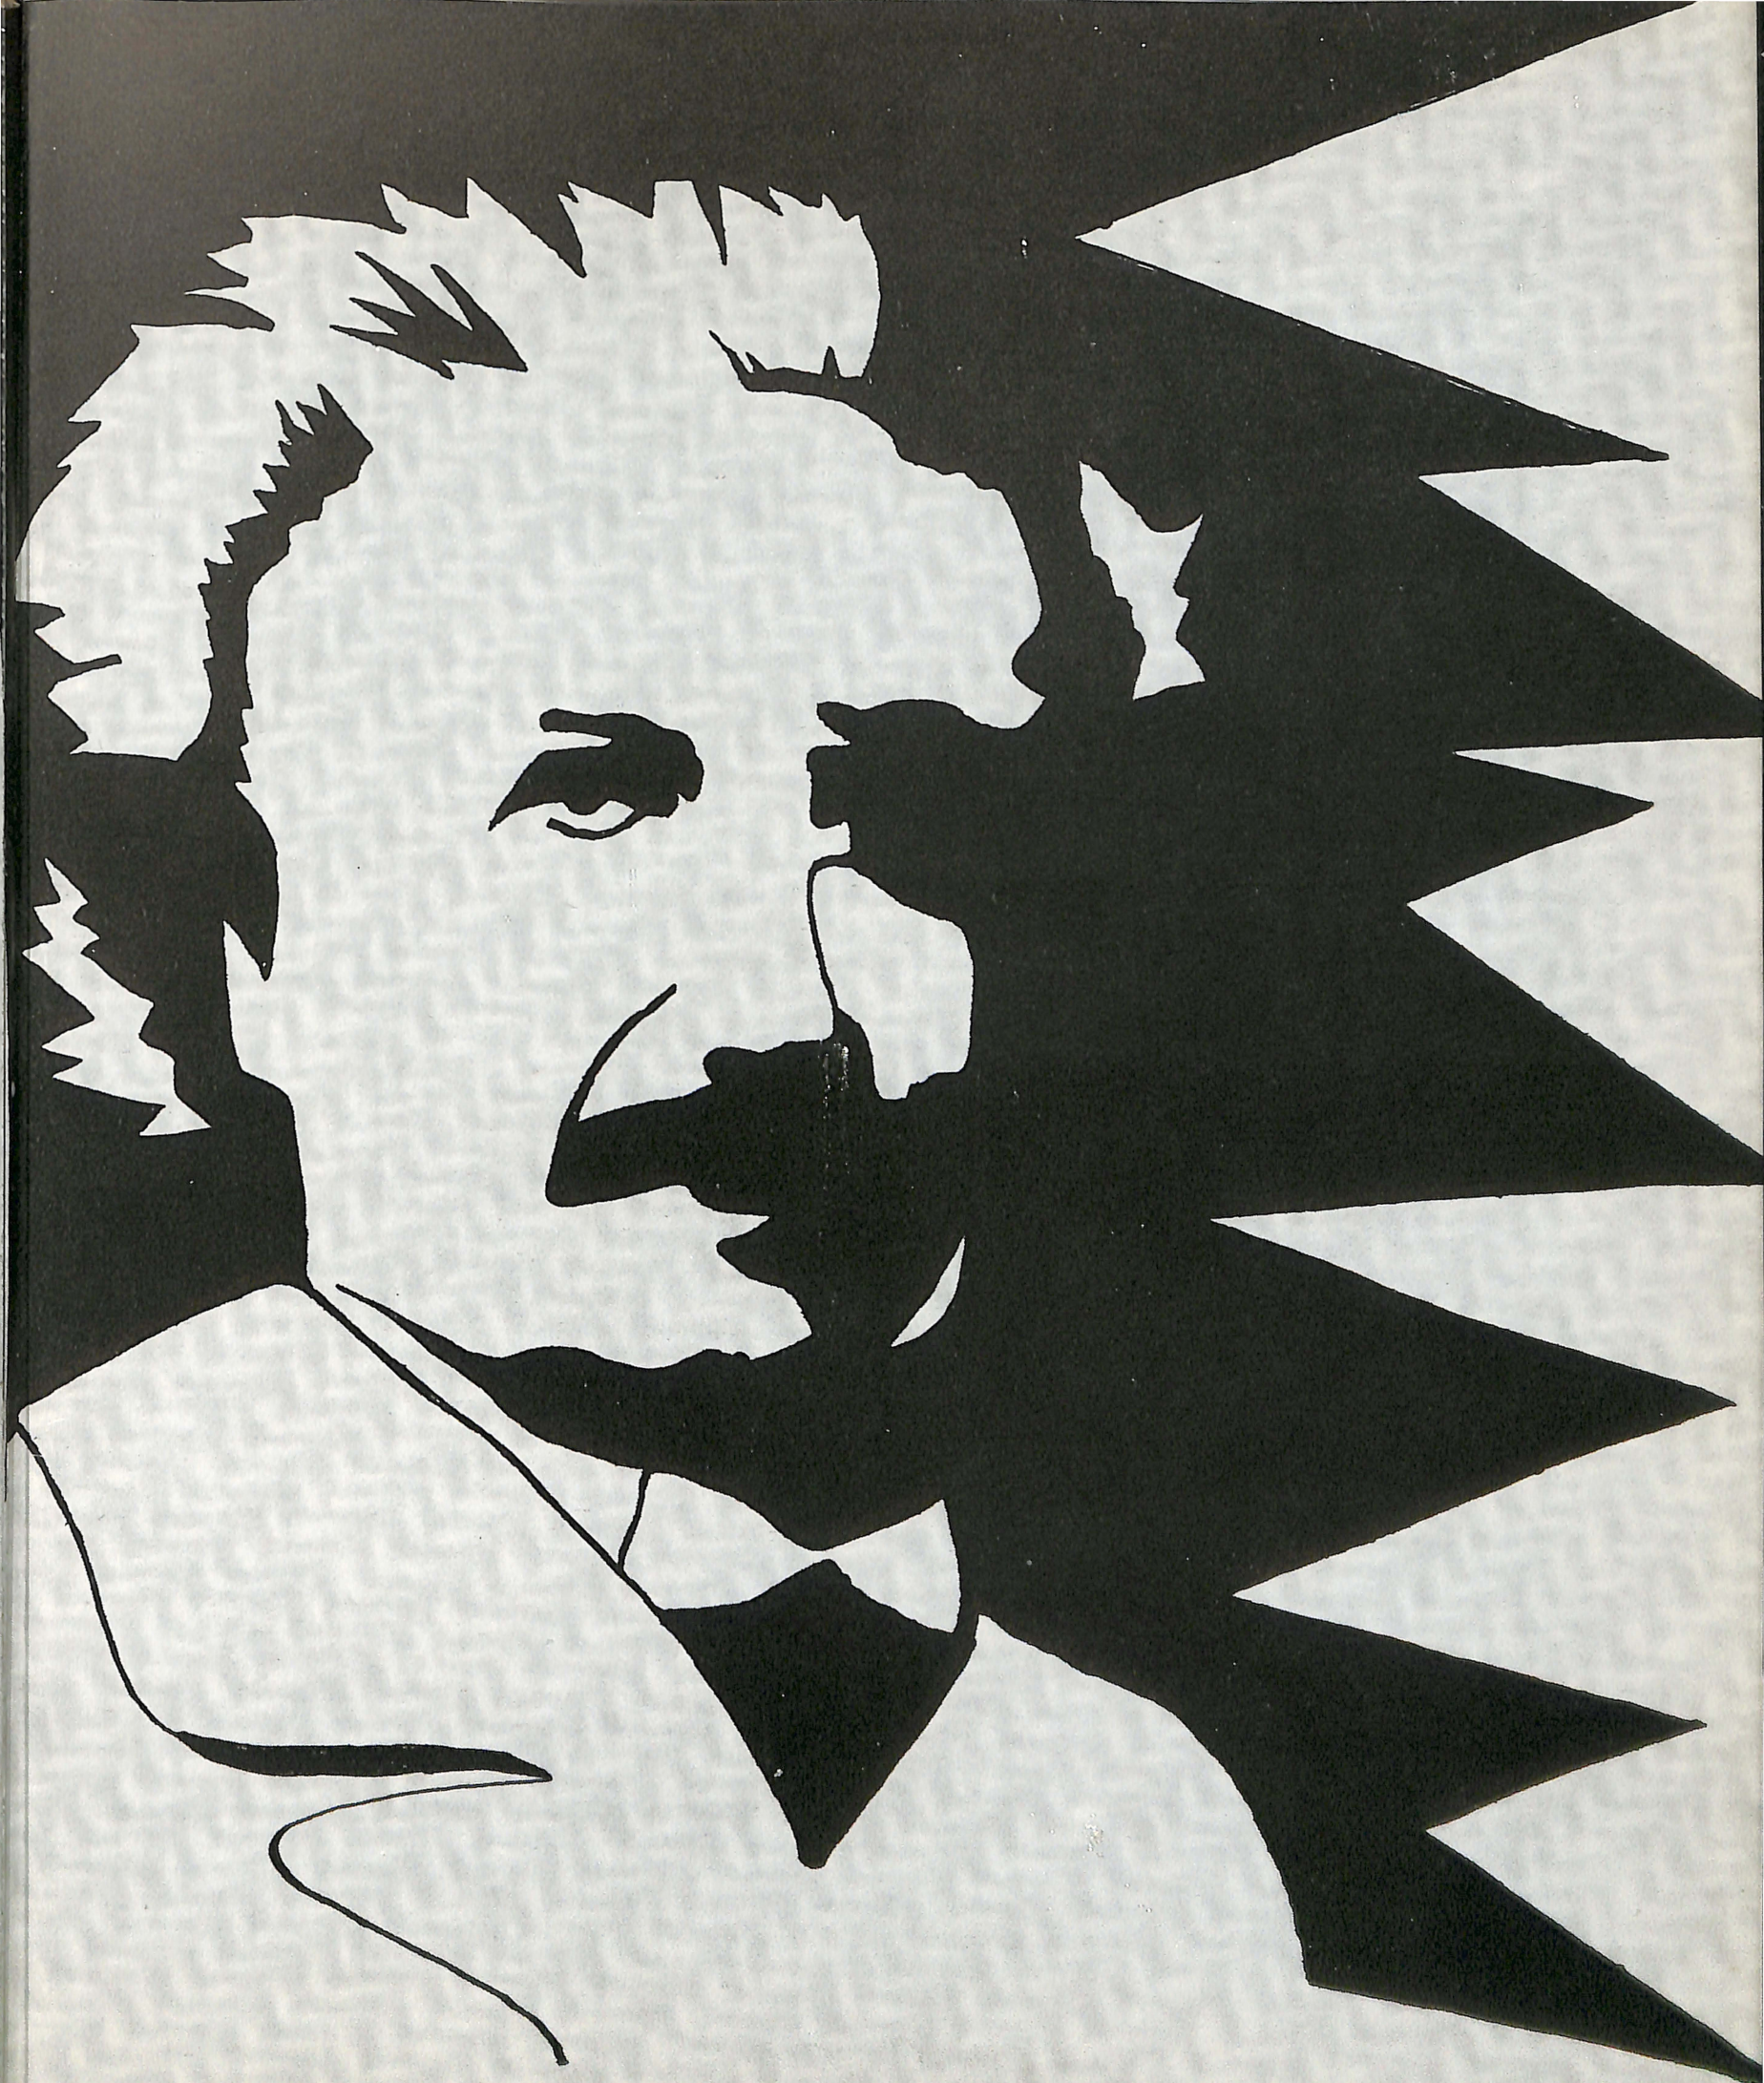

Teri Simon wonders whether this is all worth the torture.

As our involvement at Armijo neared an end,
many impressions had been imprinted into our minds.
As we achieved our seniority, we also developed maturity,
We have tried to find our own, separate identities...

SPORTS

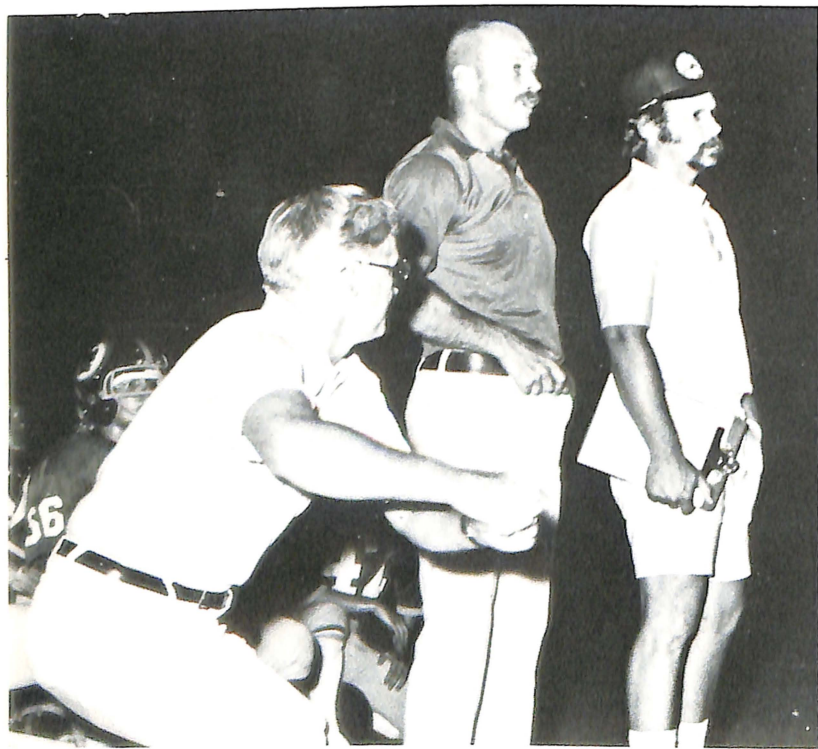

Varsity Football

Varsity Team

[First Row] Coach Gilley, Mike Timko, Mike Jackson, Dee Page, Jim Smith, Don Winder, Jeff Baily, Bob Aguerro, Chuck Price, Bob Iriate, Fritz McClain, Coach Fuller. [Second Row] Coach Moore, Paul Crawford, Richard Frye, Manual Medal, Jim McCall, Jai Jackson, Todd Holmes, Jeff Morgan, Mike Grant, Juan Shelden, Charles

Schofher. [Third Row] Ken Sayler, Wayne Yee, Karl Kinsual, Mike Jones, Shawn Byrne, Clayton Funk, Tom Inglebright, Bernie Dudley, Bob Ferguson. [Fourth Row] Theotis Trotter, Roberto Selden, Pat Peck, Charles Broom, Bob Depp, George Allison, Pat Dacy, Leon Miller, Frank Owens.

[Asst. Coach] Don Moore, [Head Coach] Bill Fuller, [Asst. Coach] Jim Gilley.

The Armijo Varsity did what most coaches like, they came out on top with more wins than losses. Armijo defense has always been strong, and very hard to score against. (they only allowed 28 points to Cordova). There were a few offensive surprises as they put together a winning form. They compiled wins against, Vacaville, Woodland, and Fairfield. There were many outstanding players on the team and they all deserve a hand for the winning season they put together.

Signal caller Juan Selden sets up the Armijo offensive line.

Paul Crawford is caught by the Falcon defense.

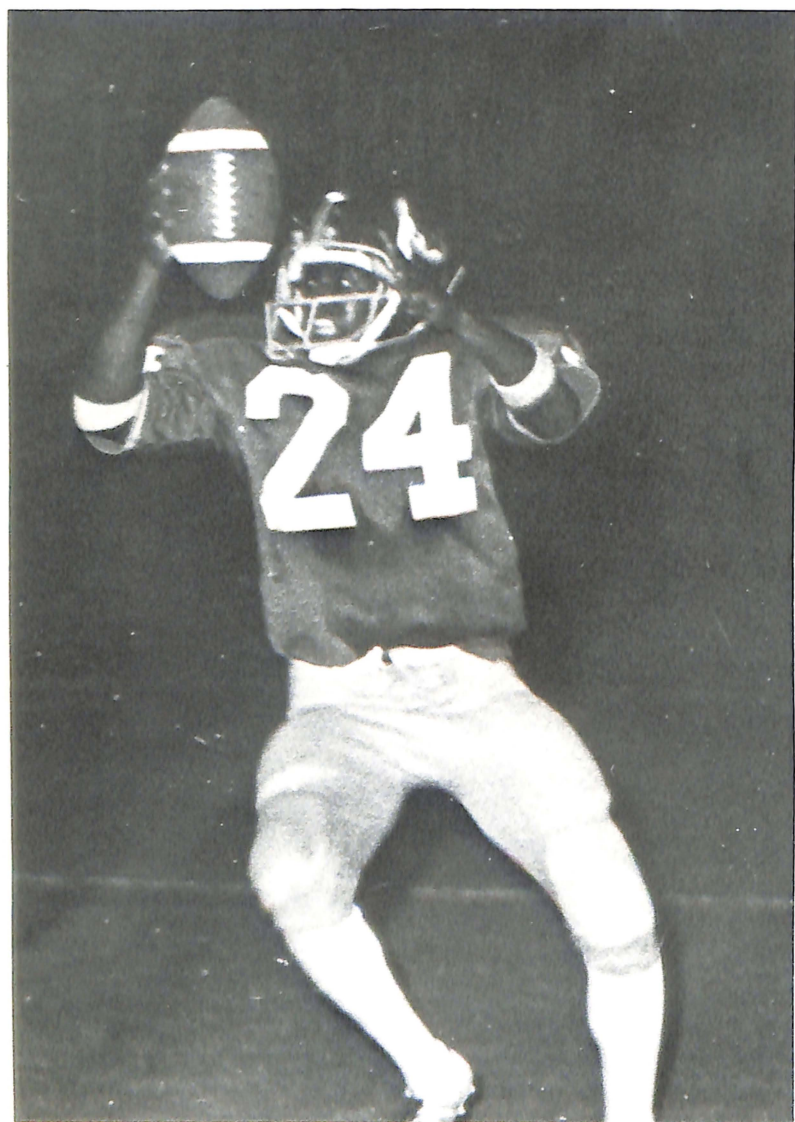

Charles Broom missed this tackle, but it was a rare happening in the Armijo defense.

Ken Saylor exclaims, "Todd do you have a calculator."

Execution

Shake a leg Sonny McCall.

Jai Jackson scores another touchdown.

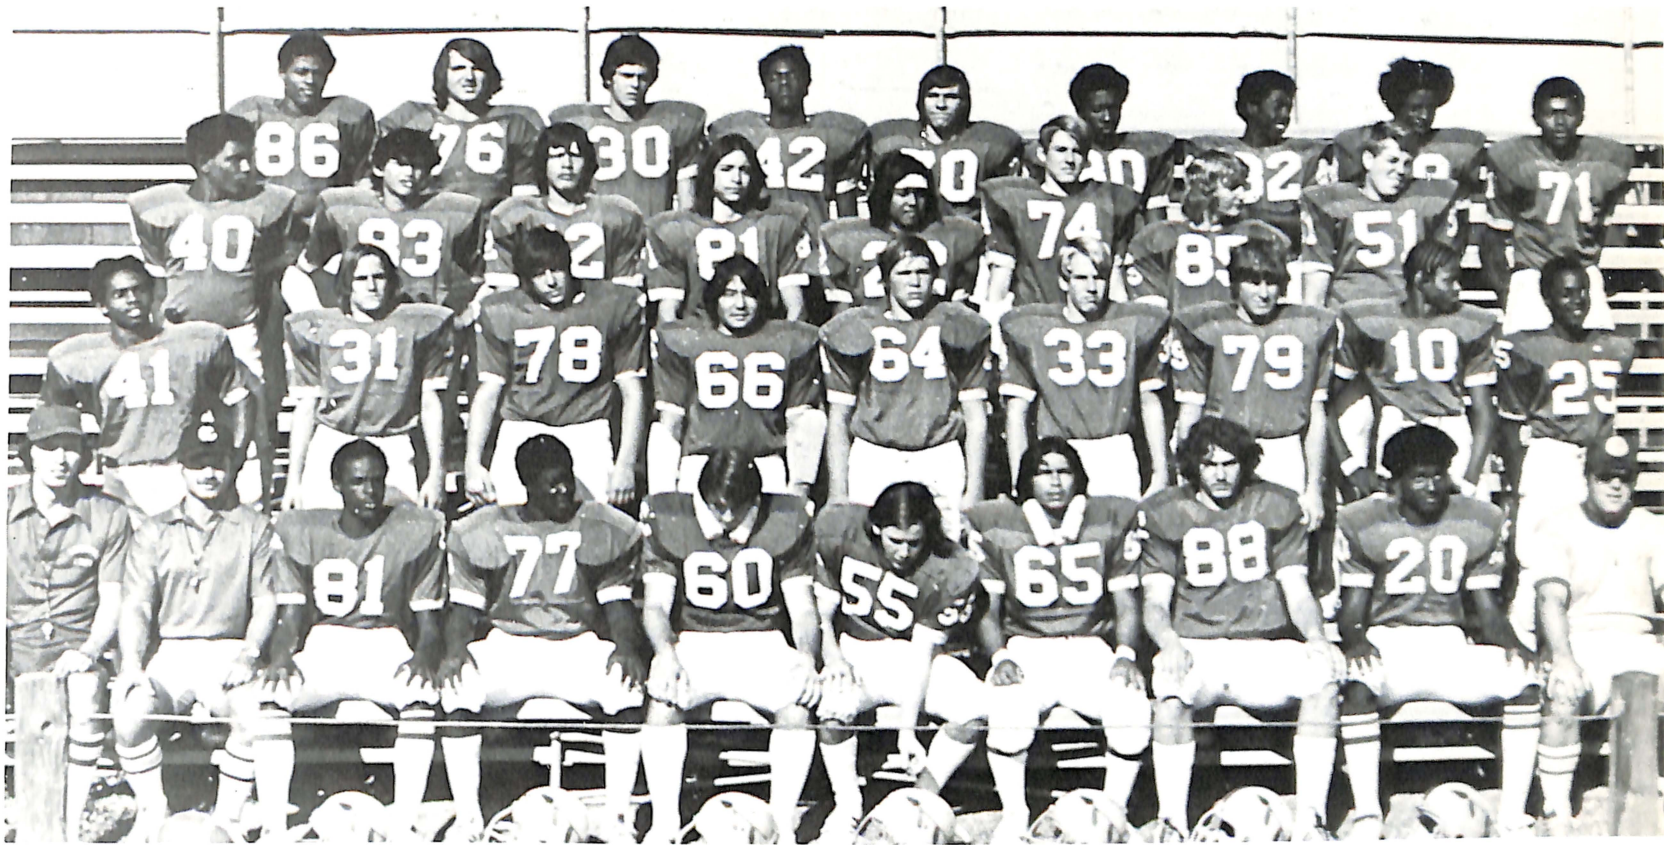

Dee Page and Mike Jones find something very interesting in that trash can.

Coach Gilley explains what to do when your hands get cold.

Junior Varsity Football

Junior Varsity Team

[First Row] Coach Wells, Benny Benson, Darrel Burnside, Lance Byrne, Steve Bishop, Frank Estrada, Scott Alonzo, Tony McDaniels, Coach Miller. [Second Row] Kenny Smith, Russel Moore, Rea Kendell, Kale Fujinaka, Mark Ray, Jim Sanderson, Charles Panter,

Larry Lofton. [Third Row] Earl Smith, Floyd Ebanes, Ernie Medel, Tony Aveytia, Hiroshi Merrit, Bill Oren, Billy Goldhan, Bob Helton. [Fourth Row] Aaron Greene, Rick Pace, Tom Johnson, Brian Bailly, Mike Lewis, Bill Morris, Joe Nichols, Jim Summers.

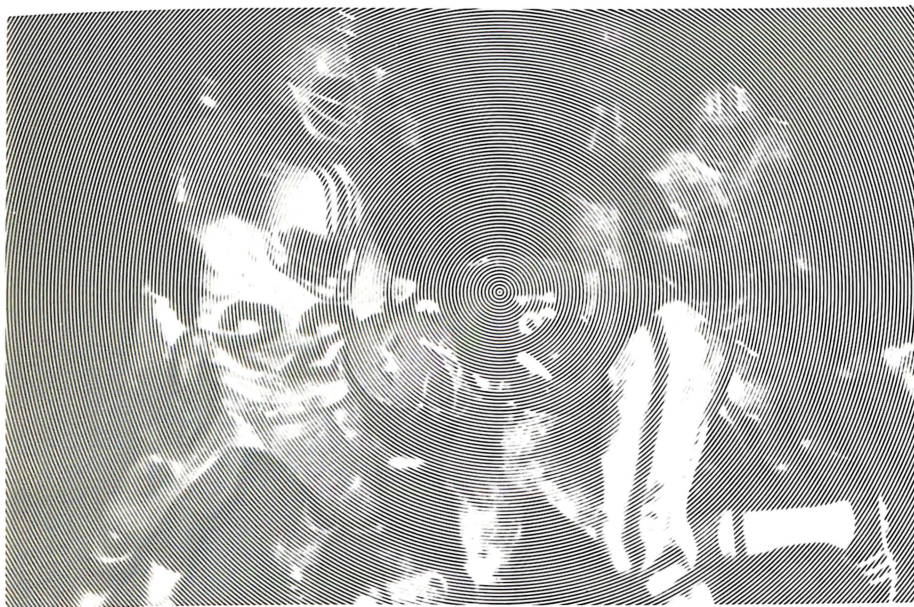

[Asst Coach] David Ray, [Head Coach] Bob Miller, [Asst Coach] Lloyd Wells.

The J.V.'s low record can be attributed to the lack of any offensive attack. Through out the year they failed to capitalize on mistakes made by opposing teams. The defense saw some great action as most of the games were low scoring. Scott Alonzo and Rick Pace lead the way for the defense. The main running workhorse was Larry Lofton.

With a team having experienced a season like this it shows great potential for them to put together a completely different season as Varsity players.

Spirit Undamaged

Russell Moore puts his head down and thinks, "The hardest part of the body is your head so lets use it."

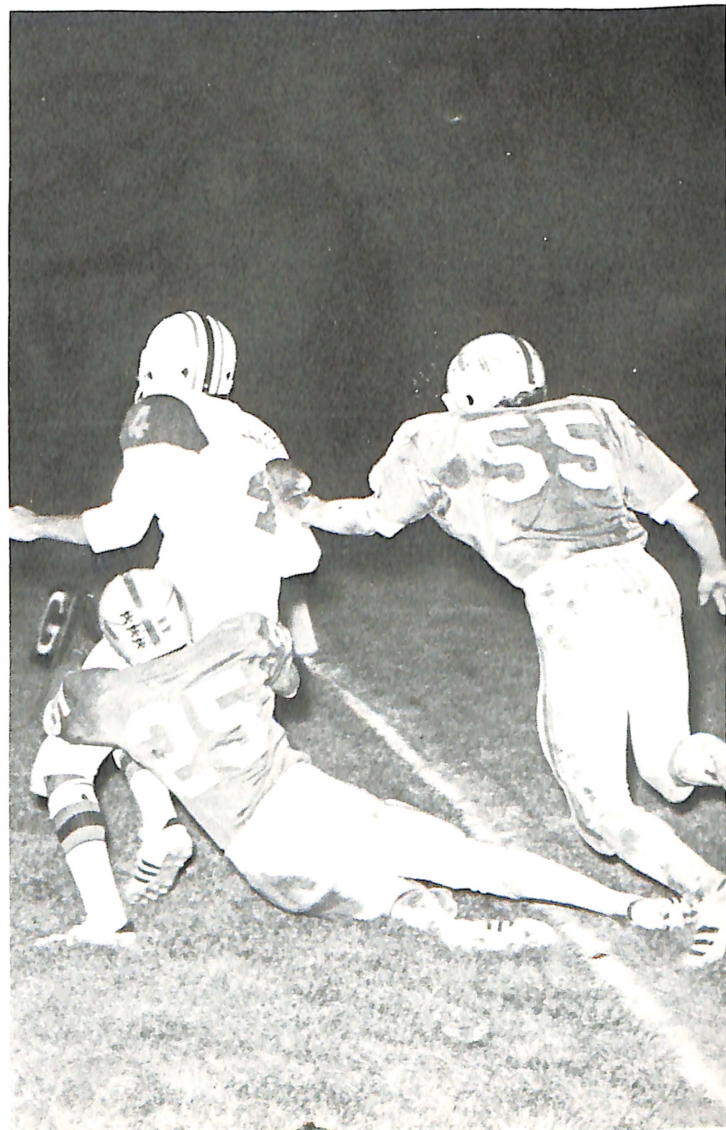

"Aren't picnics a scream." exclaims Steve Bishop.

"Boy," Says Ernie Medal, "This sure is a heavy load."

Larry Lofton thinks, "Aggressive young man aren't you?"

Steve Bishop, and Larry Lofton show an aggressive goal line stand.

Freshmen Football

This year's Frosh team posted a 4-4-1 record. They scored 100 points and only allowed 64 to be scored on them. Their total offense was 1,562 yards. Coach Keeter's comments on the year were, "The best overall group of freshmen I've seen since 1969— a very good nucleus for

the varsity in 2 years."

MVP for the year was Marc Thompson; Most Valuable back was Tony Dixon (325 yards passing); Most Valuable lineman was Lonnie Smallen.

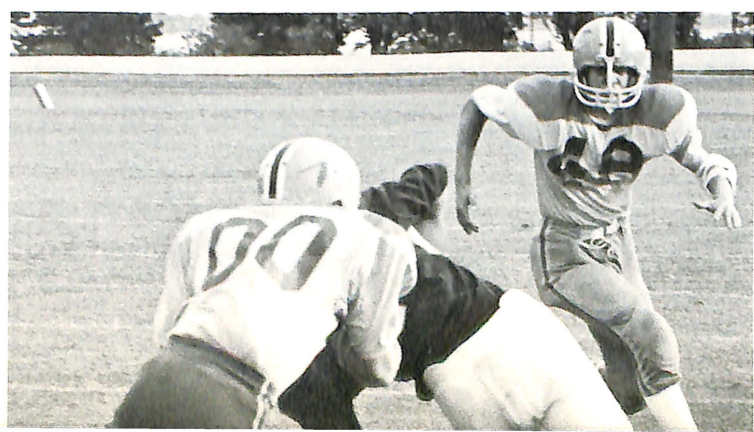

Frosh Team

[First Row] Coach Lambrecht, Emmit White, Steve Stewart, Ray Kent, Maurice Geddis, Frank Dawson, Dan Blaettler, Don Casner, George Smith. [Second Row] Craig Jones, Gary Wood, Ricky Patterson, Don Gardiner, James Nunley, Joel Mickens. [Third Row] Coach Dahl, Mike Smith, Sal Gonzales, John Williams, Raymond

Broom, Tony Dixon, Mike Dillbeck, Wayne Lockwood, John Johnston. [Fourth Row] Head Coach Keeter, Pat Jones, Donald Hills, Don Frazier, Robert Featherston, Marc Thompson, Robert Johnson. [Fifth Row] Jon Grasse, Lonnie Smallen, Bill McCrary.

Don Hill turns the corner and heads for open field.

Marc Thompson was MVP for the Frosh, he always gets his man

Mario Ibarra squeezes through two Fairfield booters.

Who's, who, but we know who is the best.

City Champs

The Armijo soccer team is in its third year of existence at Armijo. This is the first year that the team has been given any actual fan recognition, or interest on the part of the school. The school has supplied them with uniforms, soccer balls, soccer pendulum balls, better goals, and a kicking board. The money given to the team by the school supplemented by money raised from last year's indoor soccer tournament.

Soccer was switched from a winter to a fall sport. The team is coached by Jim Evans, and J.V. is coached by Don Evans. Martin Castillo also acts as a coach. This year's season is longer as the Indians scheduled a total of 14 games, and the Fairfield Invit.

The Varsity's biggest win came against undefeated Fairfield— 3—1.

This years J.V. was crowned Delta League Champs for the first time ever at Armijo.

Gregory Malta fakes out his opponent with a shake of his leg.

Wayne Revell gets his foot into the ball.

Come rain or shine the Armijo high soccer team shined all season.

Cross Country

Our cross country team has a lot to be praised for by making their team a winner among top ranked schools. Home meets are held on a three mile course at Rockville Hills Park, west of Fairfield. Rooters were few, but the

enthusiasm was high among the runners. This was due to coach Butt, a hard working coach that says how to do it, and does it himself.

Cross Country Team

[First Row] Peter Wilaman, Kurt Vineyrd. [Second Row] Mike Griswald, John Berta, Tom Biggs, Richard Roadcap. [Third Row] Brady Wagner, Don Hafich, Joe Fiori. [Fifth Row] Steve Metoxen, Rick Casner

Coach Butt makes it all look so easy.

Joe Fiori lead the way in Armijos warm up.

Harry Younkens asks, "How long is this again?"

Peter Wilaman . . . thumbs up all the way.

John Berta sighs, "Was that a right or a left at the rock?"

Kurt Vineyard asks, "Like this coach?"

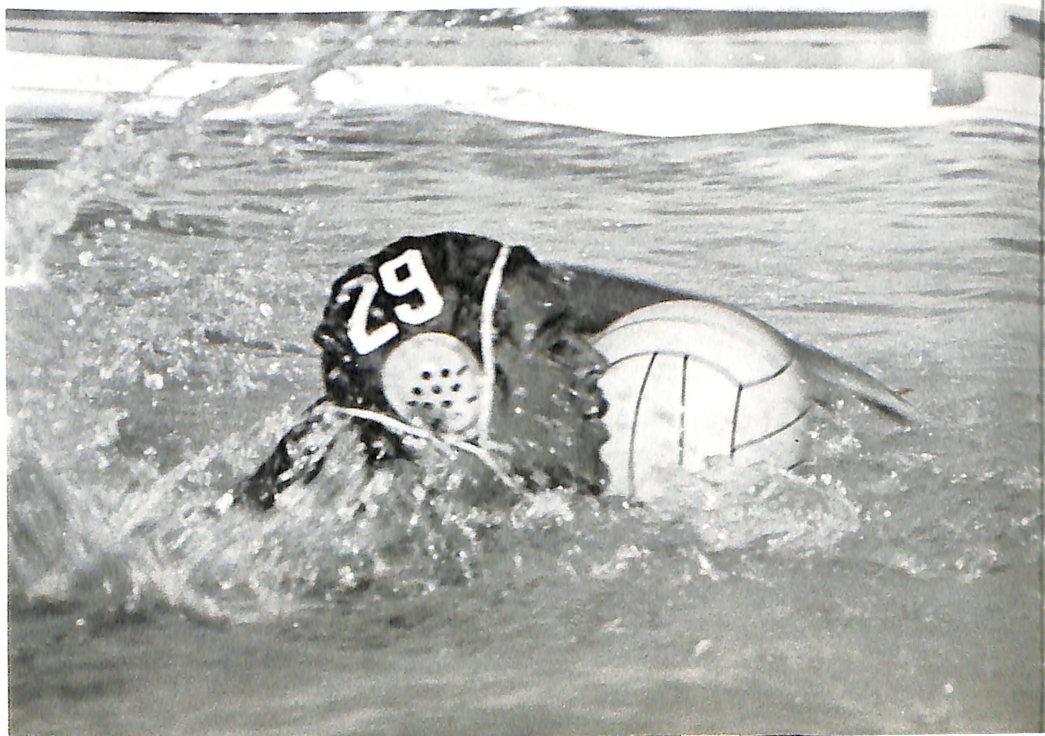

Water Polo

Varsity Team

[*First Row*] Tracy Johnson, Dale Poncy, Mike Vercoe, Jeff Stewart, Jim Le Gare. [*Second Row*] Steve Sproule, Scott Fukuda, David Giugni.

Tracy Johnson must not know there is a shark in the pool.

Junior Varsity

Robbi Ragle ready to block an intended point.

Mike Vercoe hides behind a splash as to fake out the opposing defense.

Coach Henderson shows feelings of defeat.

This years Water Polo teams had a fairly good year with Varsity ending with a 4—10 while J.V. ended with 7—6. Dale Poncy high scorer of Varsity helped a great deal. And Mike Spurlock of J.V. is a high hope for next years Varsity.

J.V. Team

[Front Row] Mike Spurlock, Ruth Loney. [Back Row] Wesley Lai, John Libatore, George Heilemen, Bobby Ragel.

Varsity Basketball

This year's Varsity posted a 3-7 League standing. The standings showed nothing of how close the league was. A win against Vacaville sent the whole league into a complete turn around. Their 2nd win came against Cordova.

Leo Giovanetti took the helm of Varsity. He caused a lot of excitement around the Armijo bench, but the largest excitement this season was the VICTORY against Fairfield, 69-51.

Continous performances by Doug Martin, Mike Southward, Paul Crawford, Scott Smith, and Ed Abalos provided Armijo with a strong contender in the last year of Delta League.

Armijo placed 2nd in the Solono Basketball Tournament

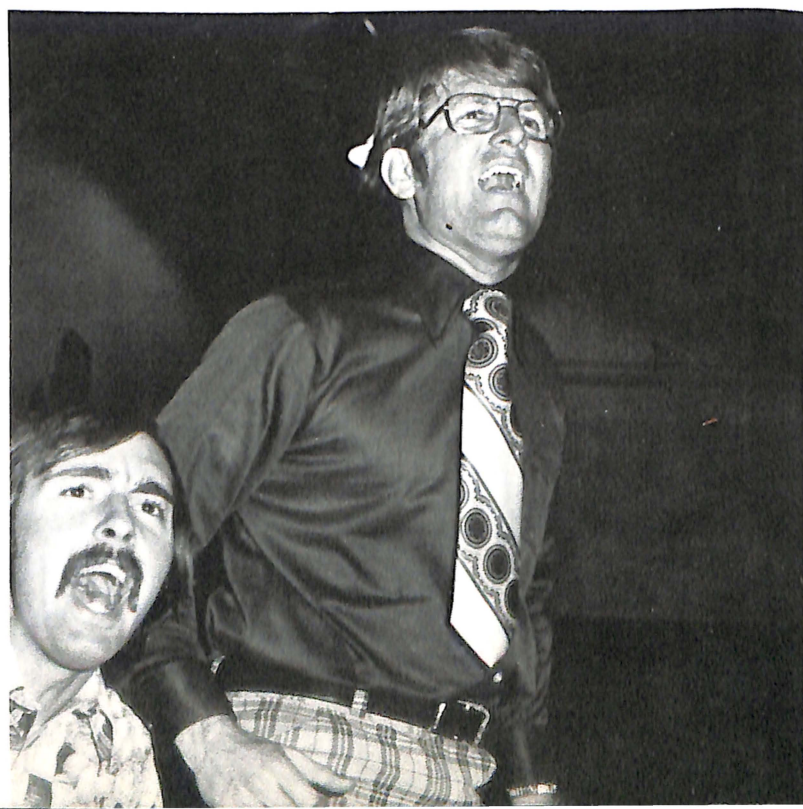

Varsity Team

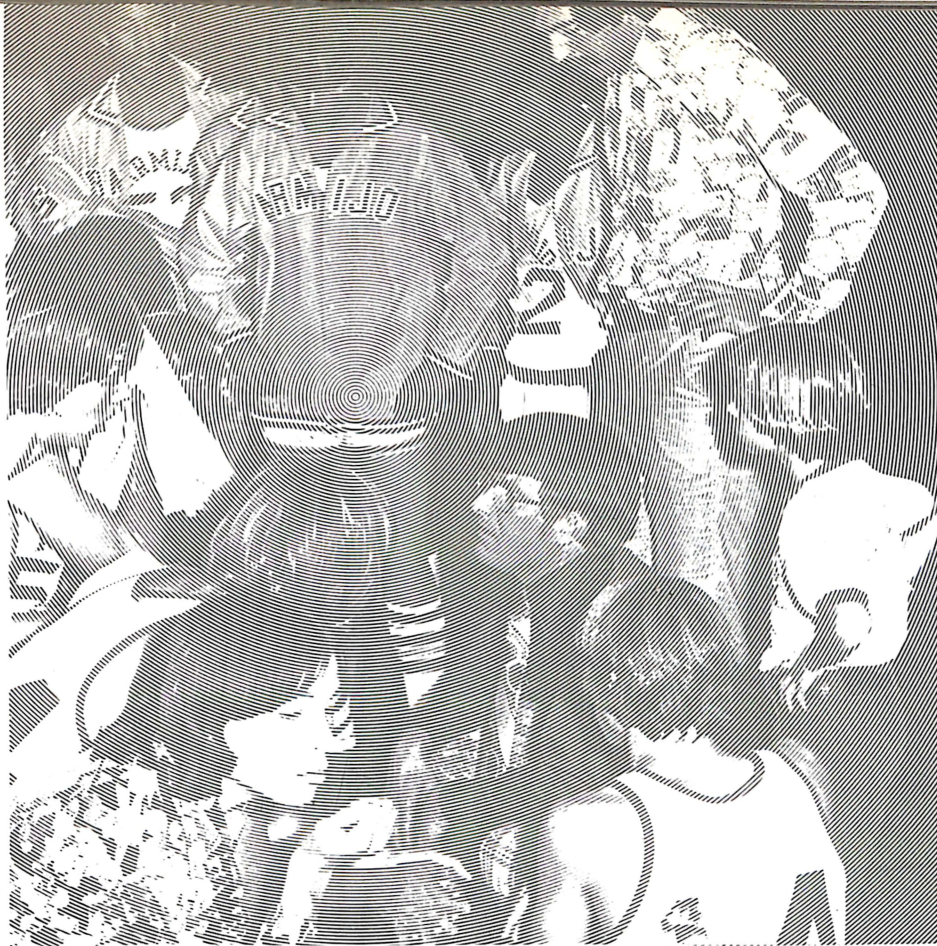

[Front Row] Ray Sikes, David Blum, Mike Grant, Paul Crawford, Ed Abalos, Mike Jackson, Whalen, Williams, Sean Ellyson. [Back Row] Head Coach Giovanetti, John Dacenasso, Juan Sheldon, Mike Southward, Doug Martin, Scott Smith, Bob Ferguson, De Engell, Asst. Coach Dahl.

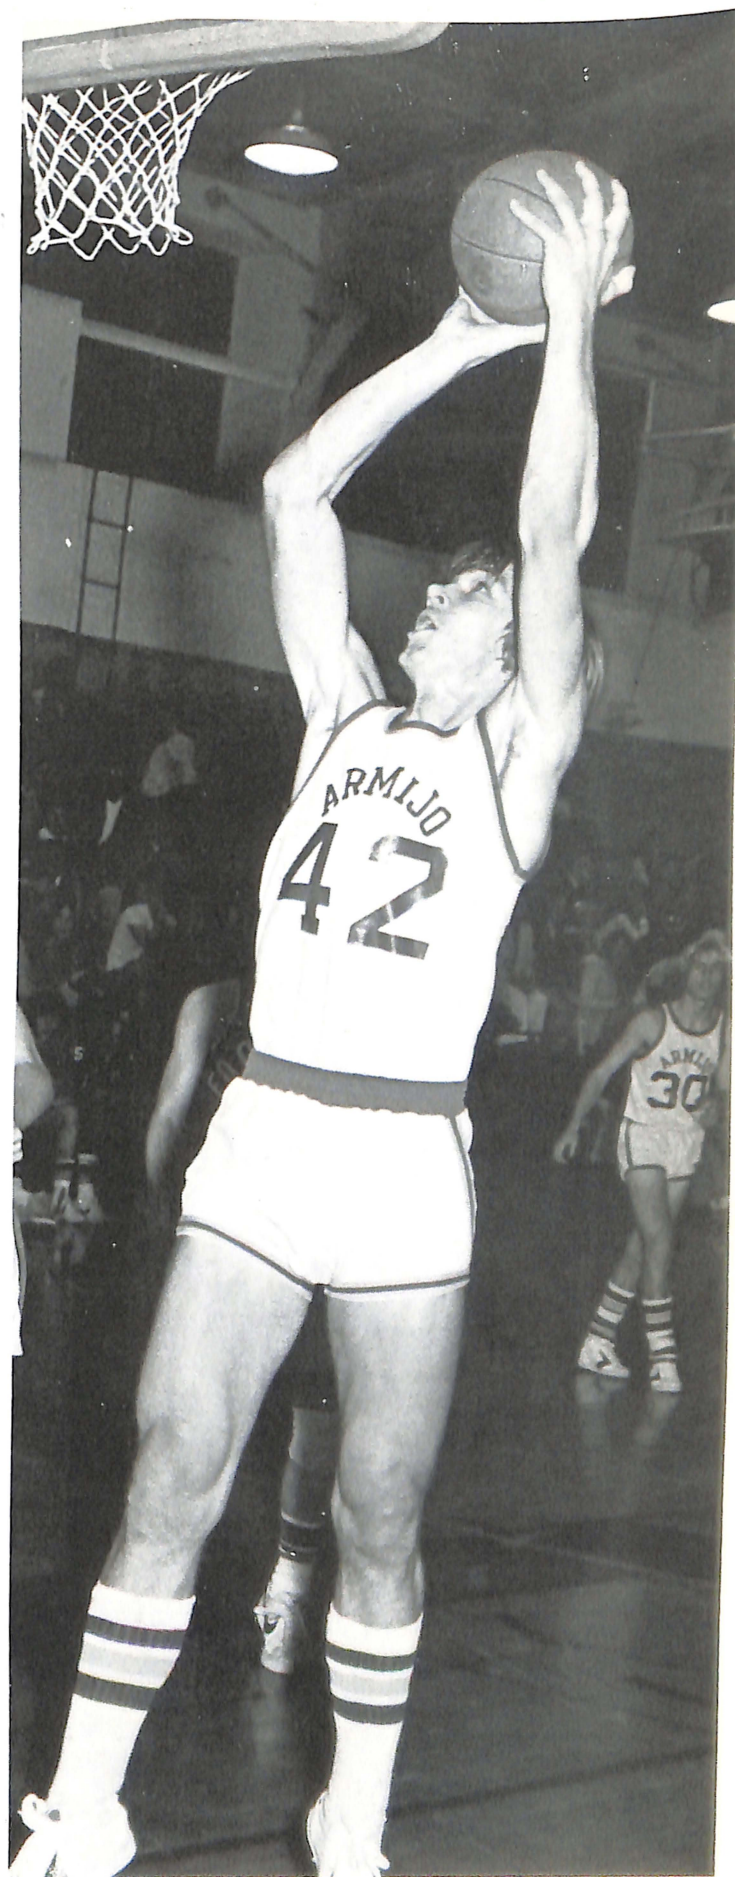

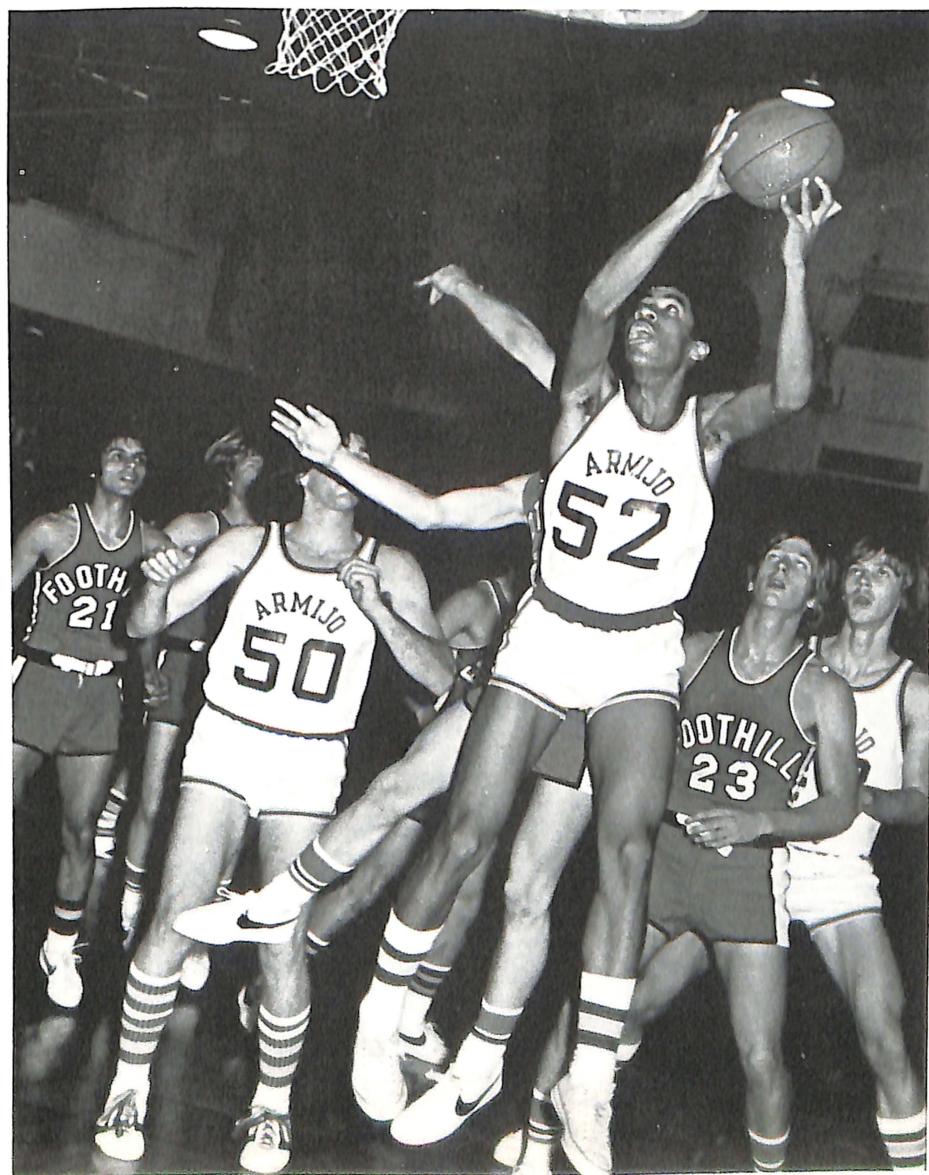

John Cadenasso drives pass Foothill's defense.

Head Coach Leo Giovanetti; Assistant Coach Jay Dahl.

Team work is a point stressed many times.

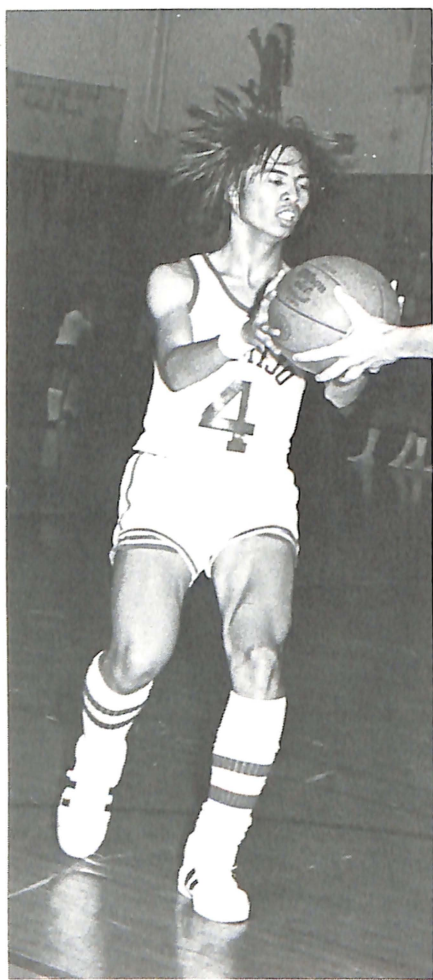

Scott Smith, in perfect form for two more.

Bob Ferguson pulls down a big rebound.

Paul Crawford looks for some help.

Eddy Abalos is always hustling, even his hair.

Doug Martin has no trouble scoring over this defender.

Armijo has pride, have you!!!!

Mike Southward is always consistent when it comes to scoring.

Junior Varsity

The Junior Varsity team started the year with strong momentum, but ended the season with a 1—9 standing in Delta League.

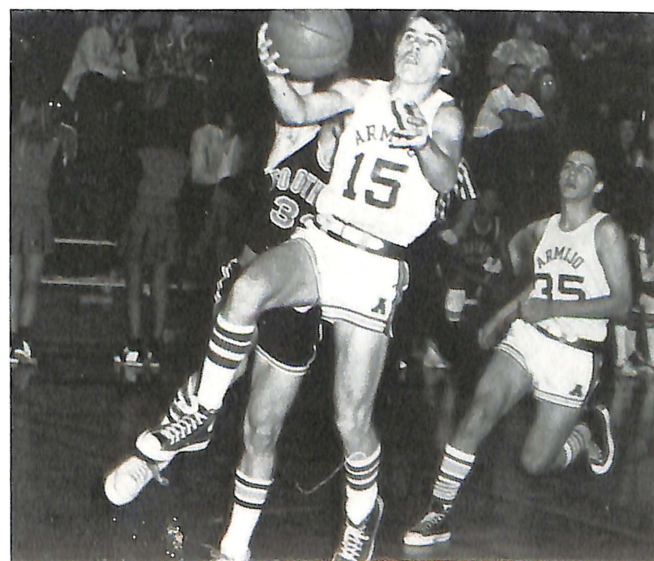

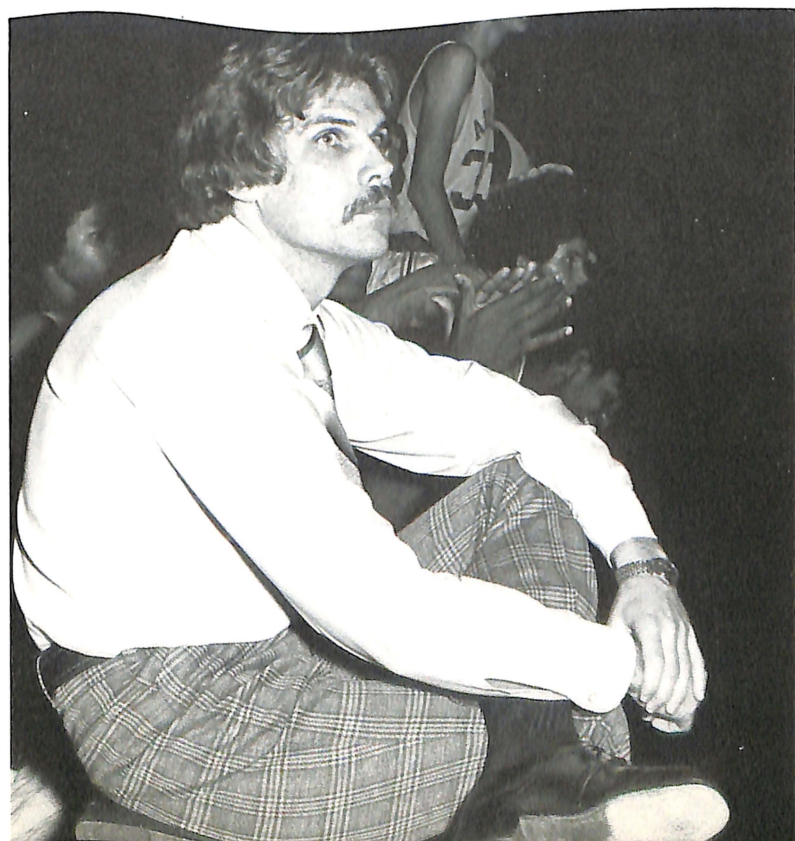

Their win came against Vacaville. Starters Scott Alonzo and Pat Nevins lead in scoring and rebounding. Arron Greene, Charles Parker, Tony Dixon, And Kevin Clarke balanced the Armijo attack.

First year coach George Lambrecht showed continued improvement in J.V. each time they came on the floor to play.

J.V. Team

[Front Row] Jeff Ramirez, Charles Parker, Dave Marianno, Bill Moy, Kevin Clarke, Gilbert Greene, Tony Dixon. [Back Row] Arron Greene, Tony McDaniels, Joe Nichols, Steve Stewart, Scott Alonzo, John Parker, Pat Nevins.

Kevin Clarke adds two more, with a lay-up.

Head Coach George Lambrecht

Frustrating Season

Scott Alonzo invented the one-legged rebound.

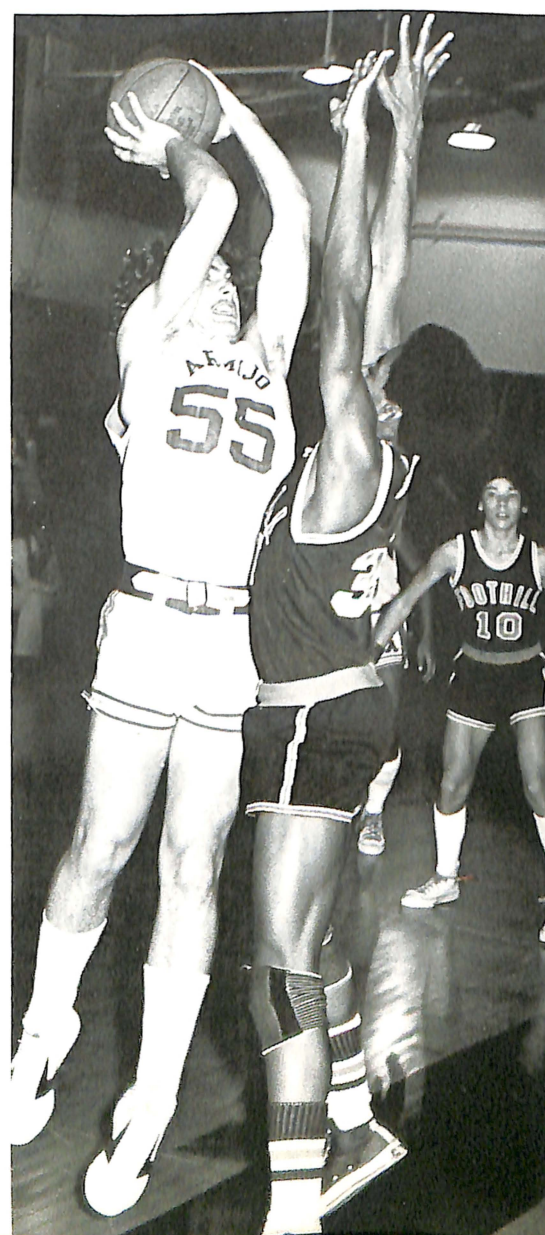

Pat Nevins snags a rebound.

Charles Parker seems to be looking for something up there.

This is the Greene machine, grits Arron Greene.

Scott Alonzo muscled for two.

Freshmen Basketball

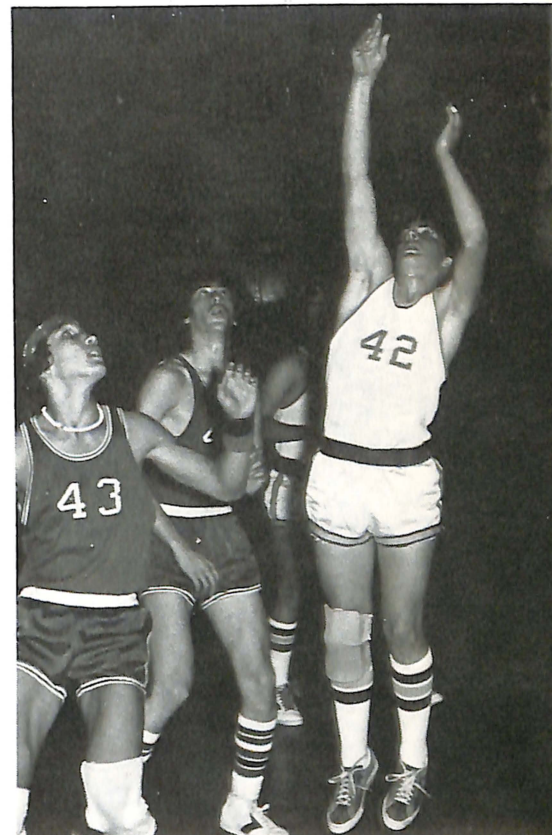

This year's Freshman team showed strong playing ability and sportsmanship all season. Which is the ground for strong players in the years to come.

John Williams squeezes through for two.

Shawn Yadon lets it fly.

Steve Dooley shoots in a crowd.

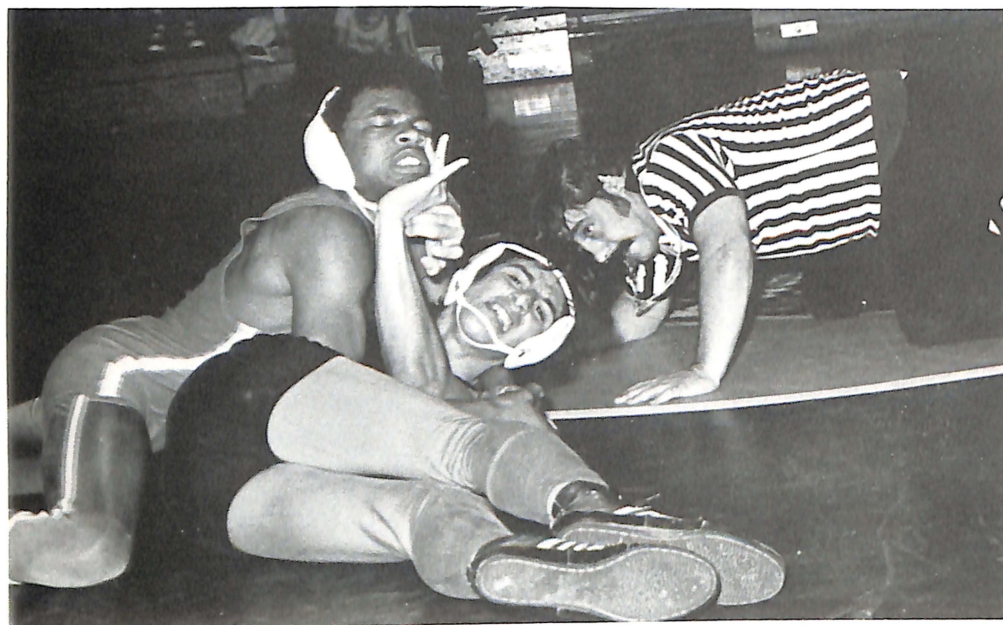

Freshman Team

[Front Row] Don Gardiner, Shawn Yadon, John Williams, James Jones, Steve Dooley, Terzo Filomeno, Edwin Frazier, Kevin Williams. [Back Row] Eric Martin, Ray Kent, Therry Lewis, Mike Delbeck, Mike Spurlock, Brent Mineer, Head Coach Jim Gilley.

Ray Kent was dependable anywhere on the court.

Wrestling 75-76

Tony Johnson lets schick love his face.

Peter Padilla moves for a pin.

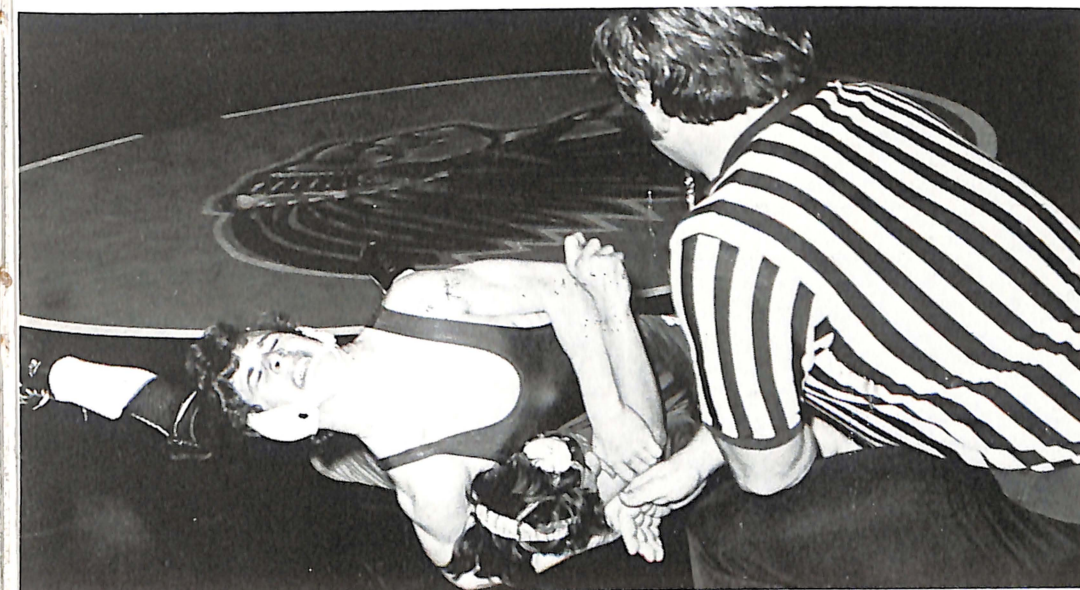

Wrestling Team

[Front Row] Barbara Walker, Cindy McCoy, Wendi Kimball, Kandi Kish, [Second Row] Coach Cortese, John Simms, Mike Berggren, Mark Bonnett, Chuck Davis, Bob Iriate, Mike Damm, Frankie Estrada, Ricardo King, Joe Whitman, Clayton Sharps, John Gardnier, Theotis Trotter, Curtis Wildridge, Coach Bailey, [Back

Row] Ron Frazier, Paul Bonnett, Lavern Hall, David Leibenstein, Bill Dessel, Danny Blaettler, Greg Malta, Robert Witt, Gordon Mathews, Marty Zvirbulis, Mike Retherford, Jerry Sweany, Henry Antipuesto, Craig O'Dell, Sam Elkins, Peter Padilla, Maurice Geddis.

Bob Iriate concentrates on his next move.

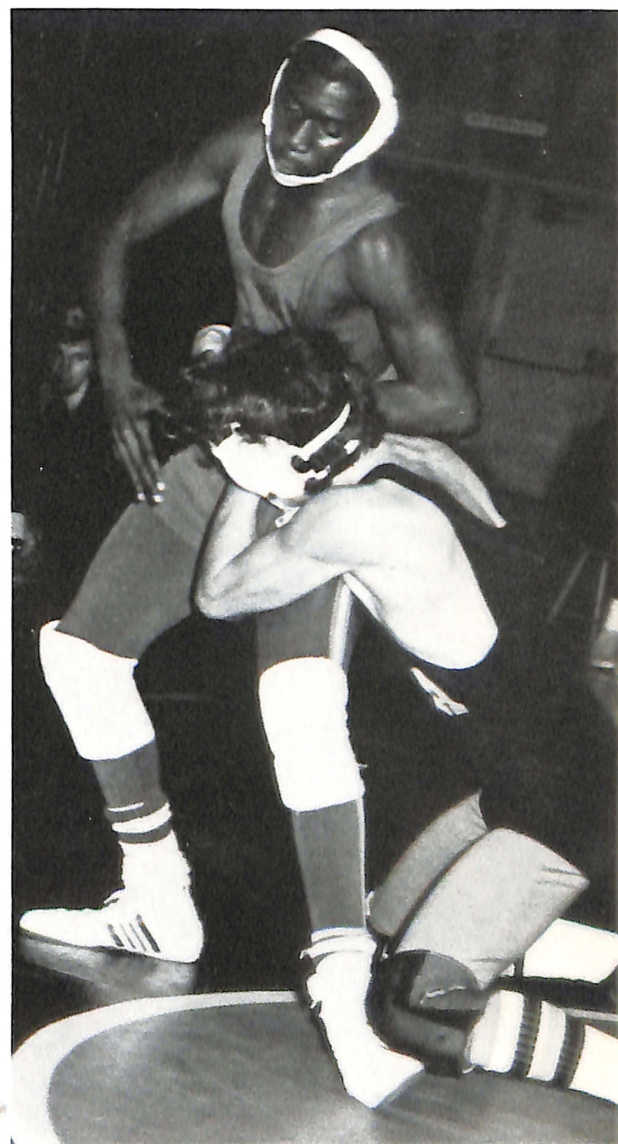

Mike Berggern strains toward another pin.

Gordon Mathews takes "5" for some air.

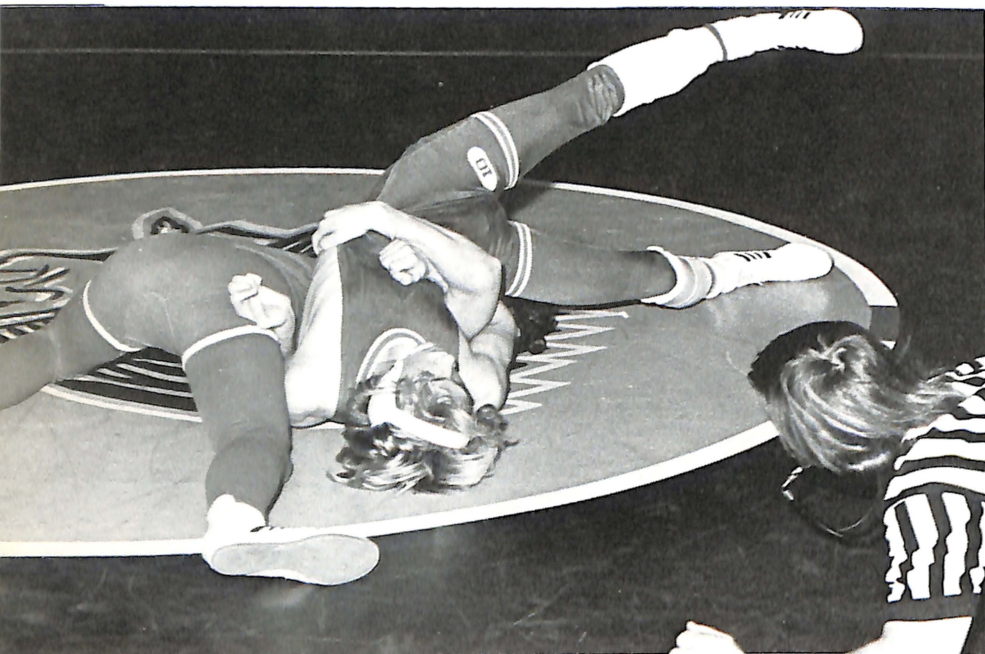

The Wrestling team notched a 4th place standing this year. The 75-76 team proved how strong they were when every Varsity member (except two) placed for sub-sections. All the Wrestlers have a strong chance at sub-section, and possibly they will go as far as State.

J.V. also kept in step with Varsity, as they showed strong ability.

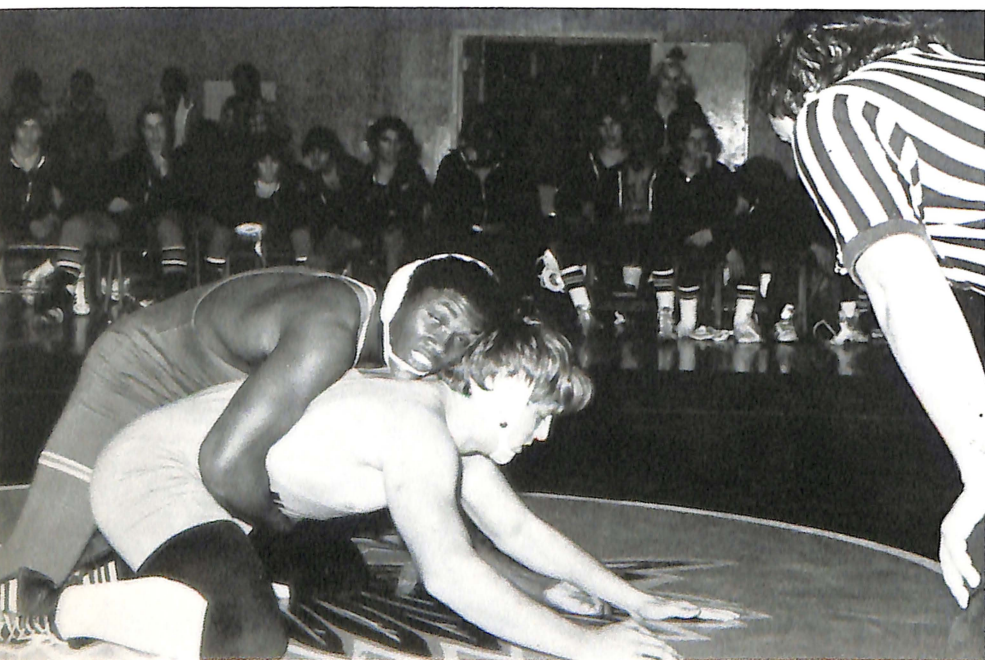

Fritz McClain cries "Give me my foot."

All-City Champs

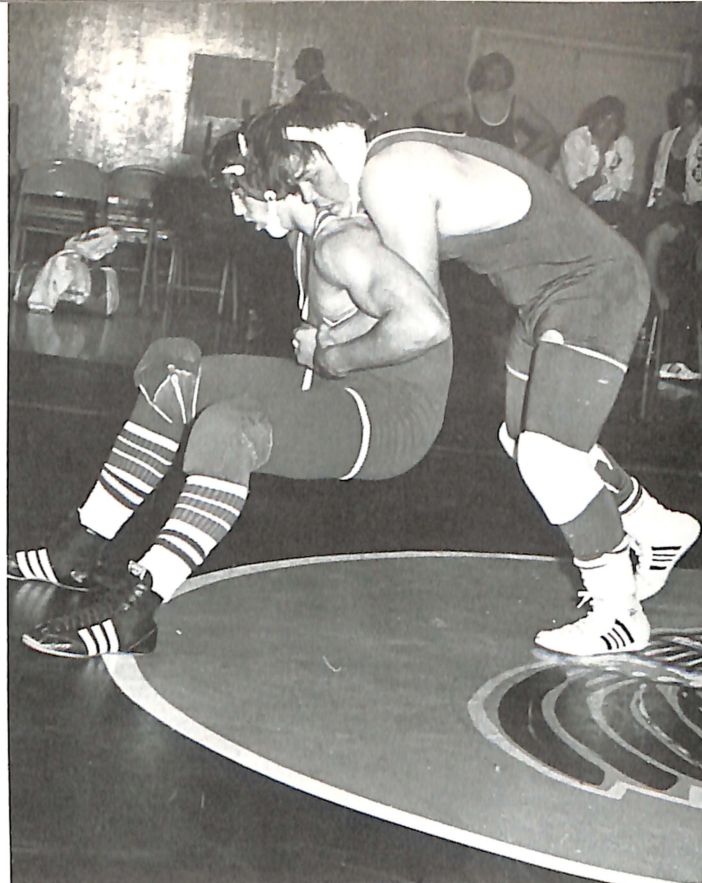

"Hey," Mike Damman, "You're suppose to be on top."

Richard King thinks, "What's the referee waiting for."

Assistant Coach Bailey; Head Coach Cortese.

John Gardiner, "How did I get into this predicament."

Swimming

This year's Swimming team lacks swimmers. With a small team there is more room for out-standing individuals. Dale Poncy, Mike Verco, and Jeff Stewart, are among the best.

The Girls also fielded a team, which is small, but very competitive when at meets.

Varsity Swimmers

(Front Row) Don Looney, Scott Fukuda, Dale Poncy, Mike Vercoe.
(Middle Row) Frank Owens, Steve Spoule, John Gailey, David Giugni.
(Back Row) Jim LaGare, Curt Robicheau, Dana Doyd.

J.V. Swimmers

(Front Row) Todd Rowe, Julie Martin, (Back Row) Glenn Burgess, Mike Spurlock, Ruth Looney.

Don Looney practices for a perfect dive.

Jeff Stewart doesn't look too happy about anything.

Gloria Davenport shows her winning form.

Mike Vercoe shows his butterfly ability.

Tennis

This year's Tennis Team opened its season with wins over, Vanden, Rio Vista, and Hogan. Under a new coach, Mr. Henderson, the team seems very strong, and has dependable back up from players through out the ladder. Delta League has not started, but look for a fine showing, or even a Championship from this team.

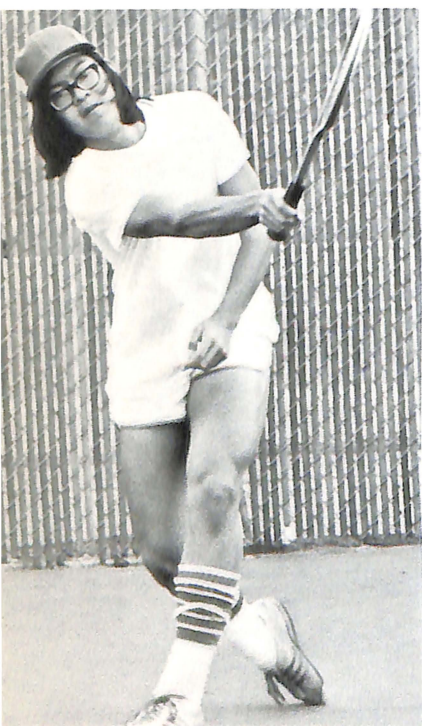

Head Coach Henderson

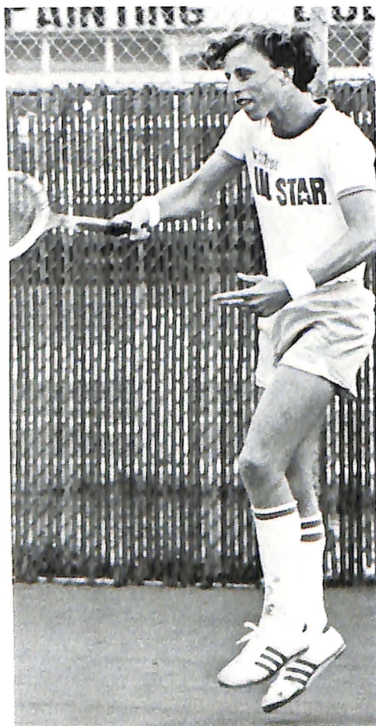

Tennis Team

(First Row) David Woodbury, Martin Tracy, Don Kauffman, Wayne Yee, Byron Ramos, Kevin Curry, Ron Waslohn, Mark Fernandez. (Second Row) Coach Henderson, Bob Woodard, Jack Walter, Mike Stack, Bob Mattos, Danny Lewis, Mike Loney, Chuck Davis, Wayne Revell, Mike Stykel, Jeff Tom, Scott Bus.

Yes, Danny Lewis, someone is watching you.

Bob Mattos shows confidence in his forehand swing.

Nancy Glather shows the guys how its done.

Maria Vasquez, Eilleen Triggs, and Kathy Berggren laugh about the 10 laps they have to run.

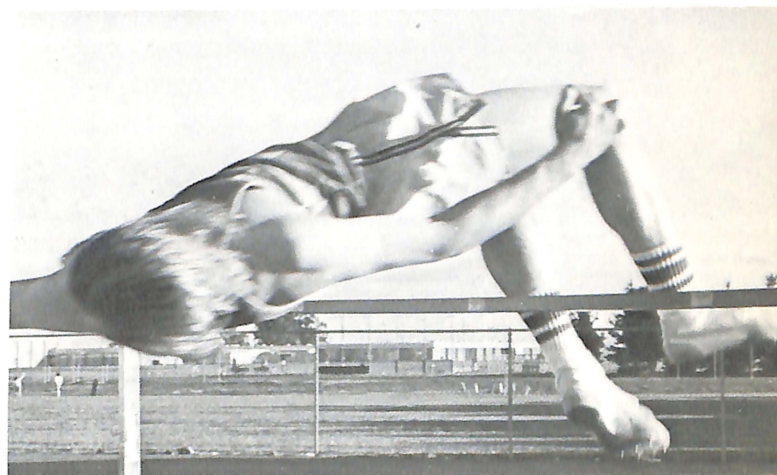

Sonny McCall performs a perfect take-off.

Strong effort by both sexes.

This year's Track Team had a new addition to it. Girls, an entire team, coached by Tina Preston. Mostly competing in running events, they look very strong.

The Boys team, which is coached by Bob Miller and Assistant Coach Doug Butt, look very strong, and have many individuals who continually perform. These performances will hopefully lead to Section and even State finalist this season.

With all events covered, the team seems well balanced, and is in for a very successful year.

Marlin White goes up and over.

Steve Metoxen and Coach Butt compete in the breath holding event.

Steady and reliable runs Kurt Vineyard.

Varsity Baseball

This year's Varsity Baseball team opened its season with a win over Rio Vista. In it's 2nd outing they posted a 3-0 win over Dixon. Pitchers Jim Zink, Kevin Murphey, and Floyd Gow, provide the starting power for Armijo. Coached by Mr. Keeter the team looks strong and should place high in the Delta League Standings.

Mark Tompson goes under the tag.

Varsity Team

(First row) Dave Reardon, Rick Hecks, Richard King, Mark Tomson, Mark Bonnett, Terry Smaystrla.

Jim Zink comes to the plate with everything the batters Can't hit.

Junior Varsity Baseball

This year's Junior Varsity team started its season with a win over Rio Vista, and fell short 7 - 8 to Dixon in their 2nd outing. With league starting in a few weeks, J.V. seems ready for a successful season. Coach Doug Hambright is spending much time with his pitching staff, for this seems to be the weakest point of the team.

J.V. Team

(Front Row) Randy Blossom, Dave Ferrell, Steve Dooley, Dieter Folk, Jeff Lynn, (Middle Row) Larry Lofton, Tony Aveytia, Kevin Clarke, Jim Sanderson, Coach Hambright, (Back Row) Clayton Charps, Mike McCoy, Karol Gibson, Richard Brunner, Mike Baker, Dave Marianno, Keith Linsey, Bill Morris, Wayne Garland, Lisa Mallicoat.

Randy Blossom concentrates on the delivery of his pitch.

David Marianno directs traffic around home plate.

Randy Blossom cries, "But Coach I can't help it if my hat is too big."

Freshman Baseball

The Freshman Team plays in the shadow of Varsity and J.V., but through out the years has provided a building block for good players in coming years. Coach Evans took the helm of the Frosh team this year, and has established continued improvement from his team.

"Boy, it sure is a long way to first!" strains Shawn Toliver.

Shawn Yadon always gets his man.

Mike Retherford connects for a base hit.

Shawn Yadon's serious look is suppose to fake-out his opponent.

Frosh Team

(Front Row) Erich Butcher, Mike Retherford, Jerry Sweany, Mike Derry, Sam Castillo. (Back Row) Steve Smith, Charlie Barker, Coach Evans, Shawn Toliver, Shawn Yadon, Tony Dixon, Jim Koen, Eric Martin, Chris Patchin.

Golf

This year's Golf team increased its number to six men and one woman. Between the seven of them they have a lot of playing time, and are confident in their game. Coached by Bill Fuller they look to be very strong.

Golfers

Mike Gaffney, Joe Drysdale, Gordon Mathews, Seth Stuart, Danny Heins, Marti Morris, Eric Dietmeter.

Coach Fuller shows 'em how it's done.

Marti Morris tee's off.

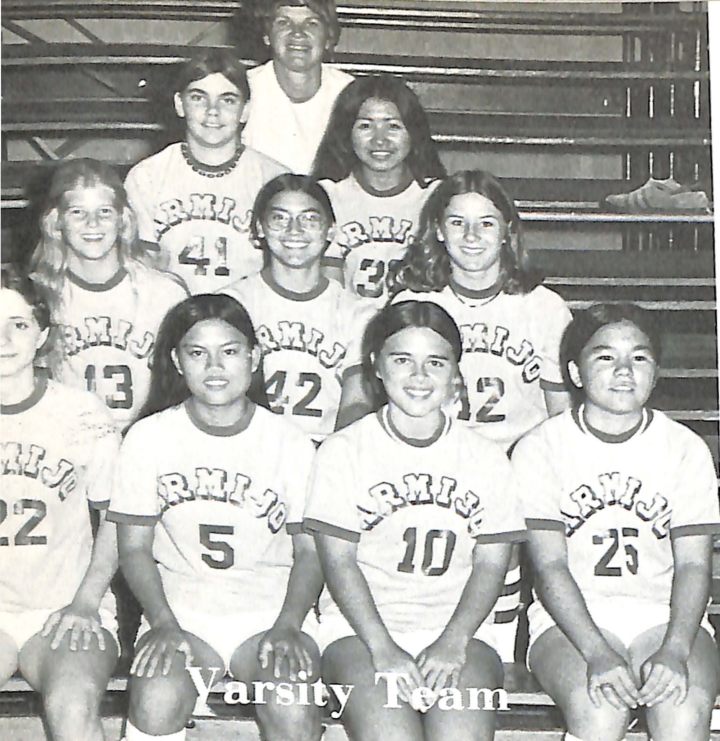

Swing them hips, Gordon Mathews.

[First Row] Terry Fernandez, Rhonda Clarke, Blenda Silva. [Second Row] Colette Flint, Debbie Poole, Maureen Southward, Cindy West. [Third Row] Colette Simpkins, Lea Grundvig, Cheryl Fickess, Mary Broom.

Cherly Fickess watches the journey of the ball.

Patty Van Diemen attempts to shallow a volleyball.

Bentia Enano is one of Armijo's top spikers.

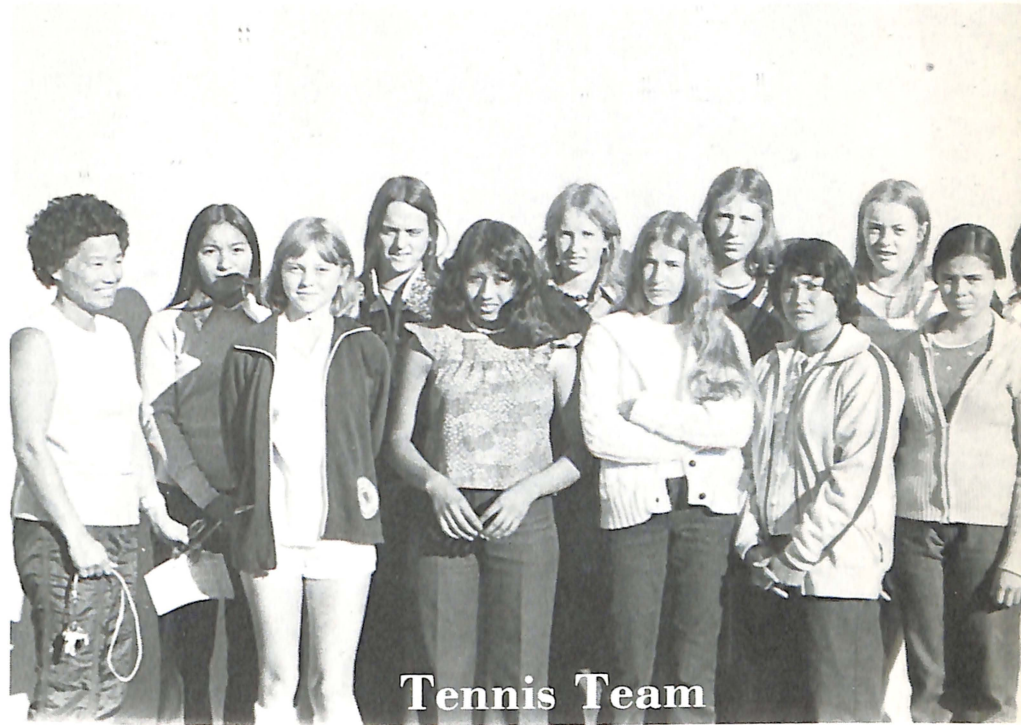

Tennis

This year's Volleyball teams took their 2nd straight Delta League Championship. The J.V. team posted a 8—2 season. As the Varsity ended with a 9—1 season, losing only to Davis.

In the 2nd annual City Tournament. Armijo's J.V. placed 3rd, tied with Fairfield. The Indians Varsity placed 2nd behind a very tough Vanden team.

For the second year in a row the Varsity will go to sub-sections in Stockton. This tournament is where 12 teams compete for top honors in Northern California.

The tennis team had a year of up and downs as they only won 2 matches. both against Fairfield. Almost every match was decided by a one game margin. In all rights Armijo was considered to be the team to beat.

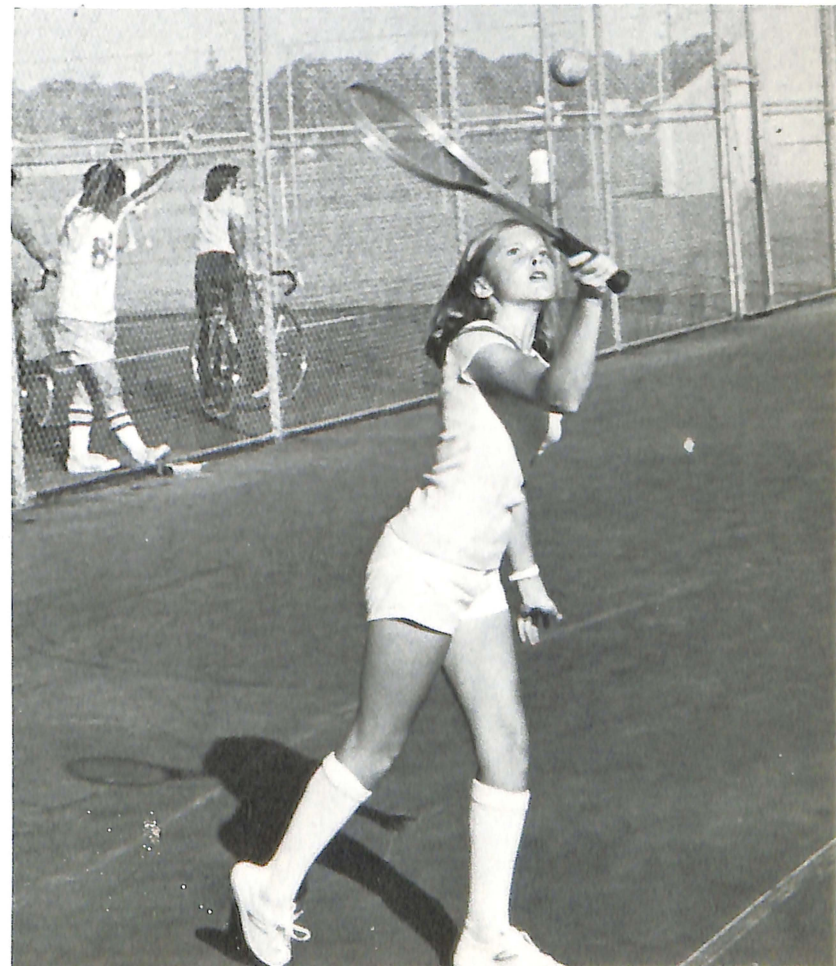

Tennis Team

[Front Row] Coach Miss Lum, Francie Meschendorf, Hope Jacobo, Natlie Valadao, Mariko Pandorf, Margaret Roybal. [Second Row] Sue Haber, Mary Connors, Leigh Ann Wall, Lisa Coussins, Carol Mohr, Juile Quarry.

J.V. Team

[Front Row] Anne Campanale, Pat Wallace, Coach Liniville, Benita Enano, Becky Ragle. [Back Row] Debbie Poole, Mary Jernigan, Janet Khamashta, Thelma Carrera.

Girls' Basketball

Despite there showing in Delta League, the Girls Basketball teams suffered frustration similar to the boys. The continuation of sportmanship and competitive playing made the season worthwhile.

Junior Varsity placed 3rd; as Varsity, plagued by injuries and height disadvantage placed low in the standings.

Varsity Team

[Front Row] Cindy Simpkins, Mary Harada, Tracy Spurlock, Trish Tokuda. [Back Row] Rhonda Clarke, Eulanda Petty, Vanell Whitson, Gloria Davenport, Marcela Filomeno.

Gymnastic's

This year's new team sport is gymnastic's. The team went unnoticed through out the year, but next year is a promising one; for only a few will graduate.

Coach Preston seemed pleased with her team as, Christine Cox, Cheryl Ruffino, and Dina Reginato, placed for Sub—Sections. Performances by Dina Reginato and Cheryl Ruffino gave them both spots in Section competition.

Cheryl Ruffino smiles, "Did Cupid start this way??"

Dina Reginato competed consistently all season.

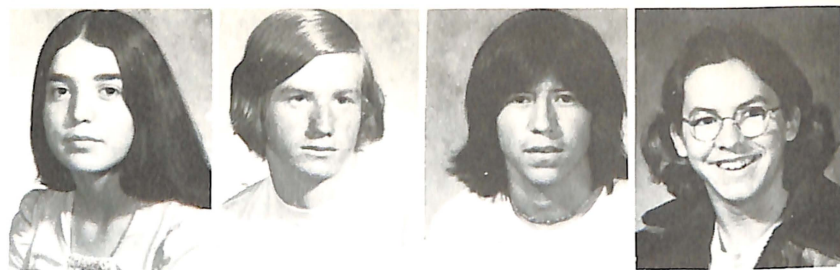

Christine Cox prepares for her next exercise.

JUNIORS

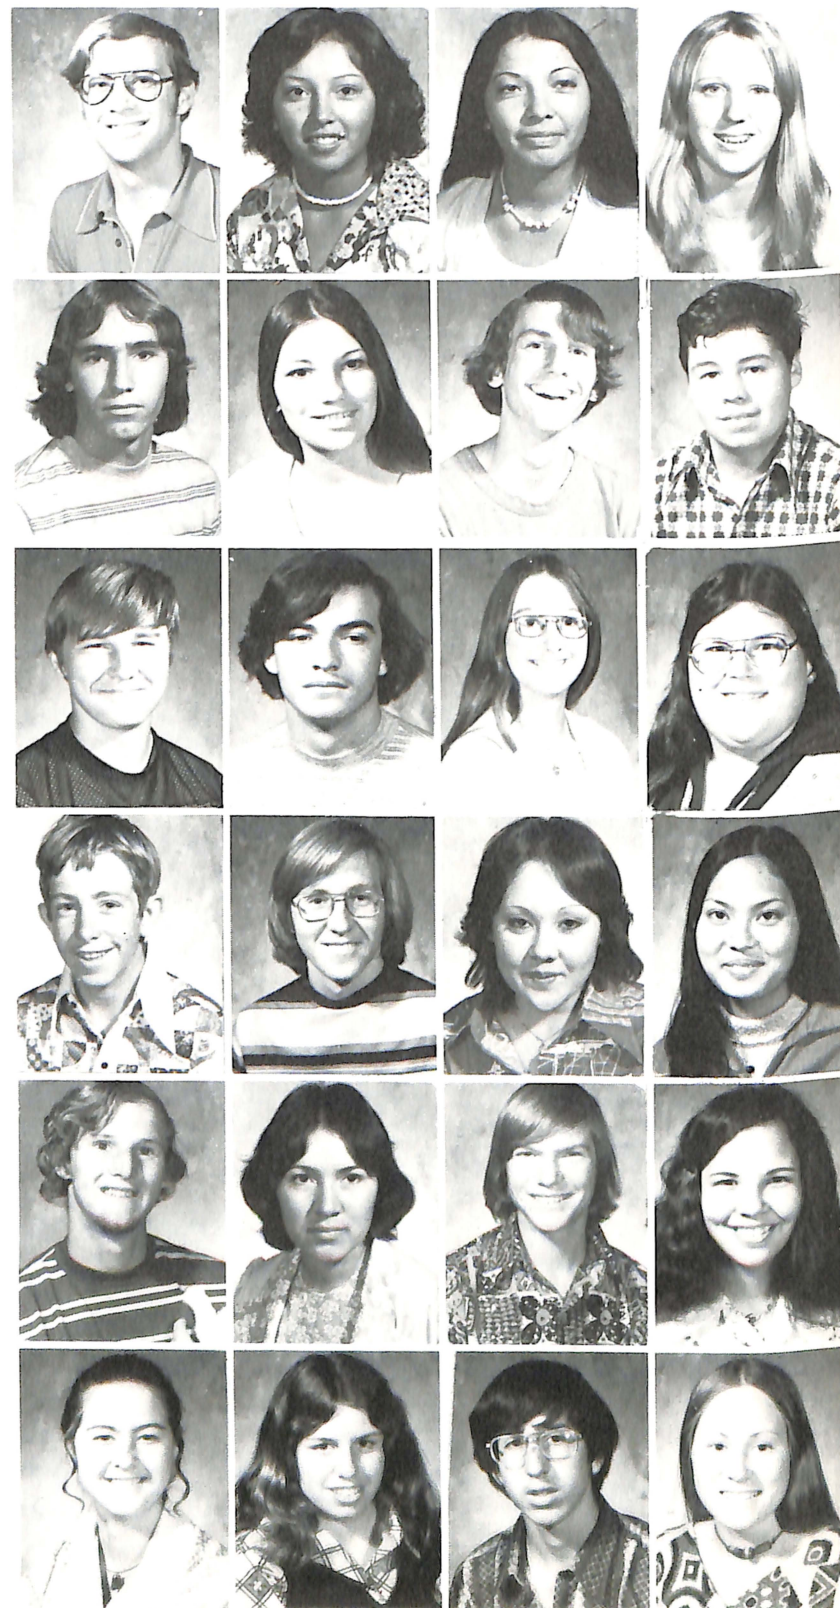

Betty Overton uses her time wisely by keeping up with the comic characters.

This year's Armijo Pep Squad was a great morale booster. Without their support and dedication to the students and the school, Armijo just wouldn't have been Armijo. We would like to thank all Pep Squad members for the great job that they've done in lifting Armijo's spirit "sky-high!"

Every year, awards are given out to those students who put forth a little more extra time and effort to succeed in their studies. This year, there were five types of awards given out.

The Bank of America Awards were designed to honor those graduating seniors for their outstanding achievement in their major fields of study. The students apply for the award according to their major. The teachers of each field then choose one of the applicants as the winner. Grade point average and interest in his metier are stressed upon determining a winner.

The Outstanding Boy and Girl of the Year Awards are awarded to those seniors noted for good citizenship and participation in school activities, student government, sports, etc. The awards are sponsored by

the California District Exchange Club.

Boys and Girls State are awarded to Juniors. The state awards are sponsored by the American Legion. The local chapter determines who the winners are and it is they who act as representatives at the state convention held by the American Legion.

D.A.R. is short for Daughters of the American Revolution. The D.A.R. is an organization of women directly descended from persons who aided in the achievement of American independence. The local chapter of the organization determines the winner of the award.

The Betty Crocker Award is awarded to a student who shows interest in the field of home economics. The home economic department of the respective school determines the winner.

Student Government

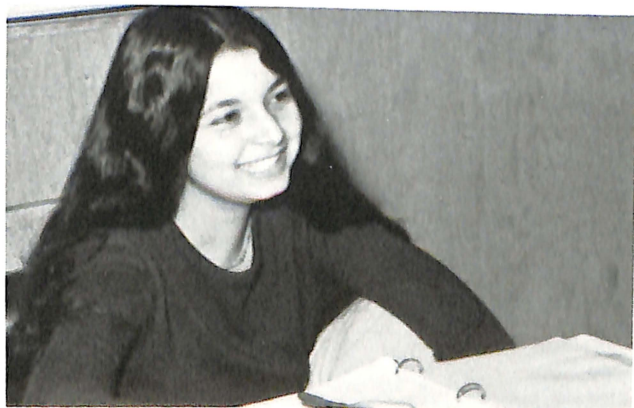

This year's student body, for the first time in 4 years has had a female for president, Patty Van Dieman. Maybe it's a sign that the A.S.B. wants a change in the way student government is run, or maybe it's a sign of the times. At any rate, I'm glad we've had the chance to find out, for she proved to be a very good President. Under the very able guidance of Mr. Aldridge, this year's student government seemed to draw fewer complaints than those of the past. Also, with Wayne Yee now at the wheel for second semester as President, things should run as smooth.

Senate

This year's Senatorial and Judiciary branches of student government have drawn few complaints, and even less criticism, if you compare them with last years. This could be because of the great lack of interest that this year's student body has shown towards the way these branches of the government are run. In fact, the only thing a sizable amount of people cared about was whether or not Senate would O.K. a smoking area on campus.

'Northern California's Best'

This year's Superband fared quite well this school year. After taking fourth place in some tough Long Beach competition, the Superband came back to take first place in Pleasanton and the Sweepstakes Award in Cupertino. But the biggest thrill the band received was the honor to march in this year's Tournament of Roses Parade. The hard work and dedication the 170 band members and attached units put out and helped to earn

them the title of 'Northern California's Best.' Their fame spreading throughout Southern California as well helped them to be invited to one of the largest prep band gatherings of the year.

On January 1, 1976, the Superband proudly displayed the Armijo name on national television in the 1976 Rose Parade.

The letter carriers proudly display the school name as they march in front of the band.

Drama

This year's Armijo stage players consisted of a group of 25 talented young students who enjoyed the art of acting. The class meets everyday in the cafeteria during sixth period. The actors, who, along with their

student advisor, Mrs. Meg Coutinho, rehearse scenes and acts from short plays. This year, the class put on a presentation entitled, "Pardon My One Acts," a comedy farce consisting of four one act skits.

Joe Thompson's stimulating conversation on how to act completely enthalls Belinda Silva.

Armijo Drill Team

For the past two years, Armijo High School has put together two very successful drill teams. Their third consecutive year was no exception. Consisting of a group of twenty-five talented and dedicated young girls, who, with the guidance of their advisor, Mrs. Tina Preston, have performed in competition with other schools, sports halftimes, marching with the band and other various school functions.

Karen Cross and Jackie Maben seem pleased with their team's performance during the Review.

ACTIVITIES

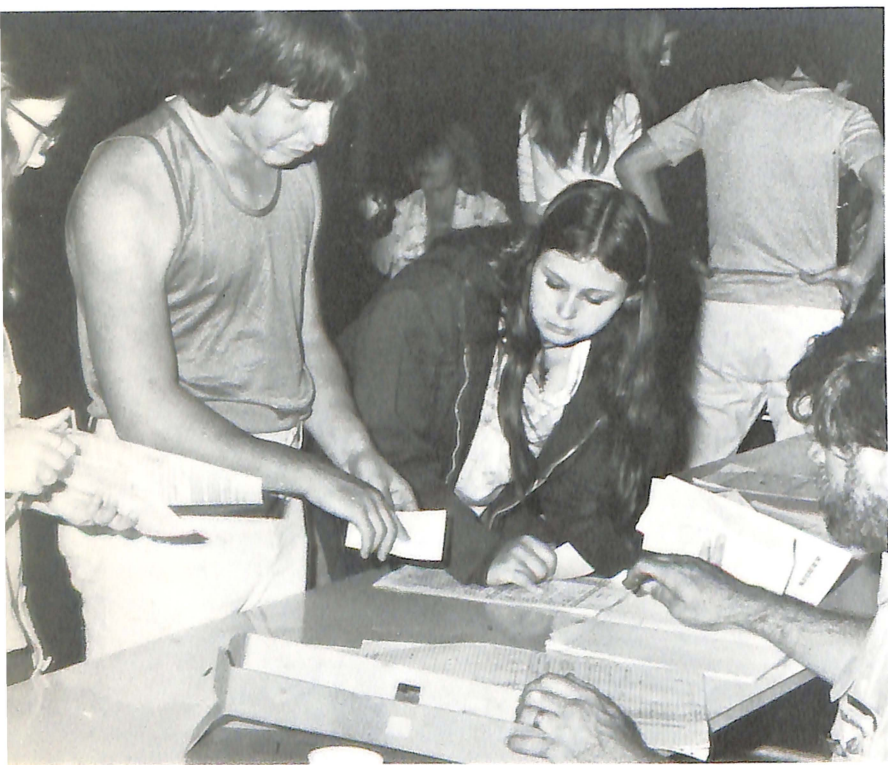

Registration toil, tears, and sweat.

The scramble begins in the spring with preregistration and ends up in the later part of August as four days of mass confusion.

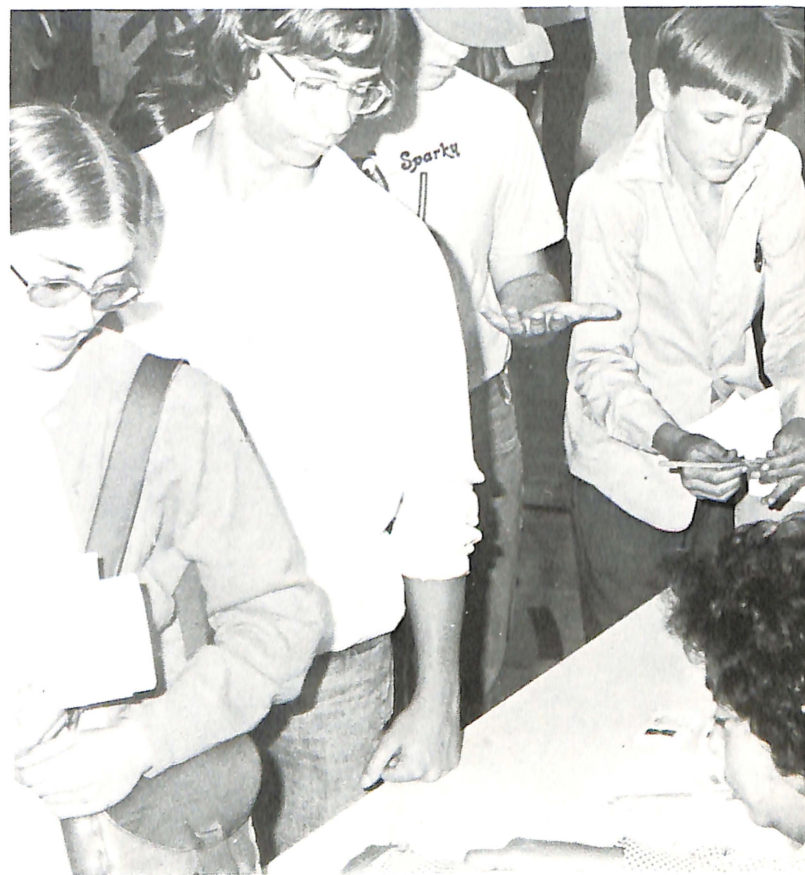

When you first walk in the door you are thinking of what classes you want to change. After you get your classes changed by a counselor, You move from booth to booth to collect your six class cards. You put them in order and continue on to the next station. When you are finished you have a student ID in one hand and your class schedule for next year in the other.

The scramble was without teacher-student conflicts, because most students were able to change many or all of their classes easily. But in the end the class changing became the most difficult problem to solve.

As registration came to a close, so did many classes. These closed classes were caused by the neglect of some counselor, administration, and teachers to realize that the cards they gave out to students changing classes were already occupied by students who registered in the spring.

Jim Ficarra pleads, "But I don't like to crochet."

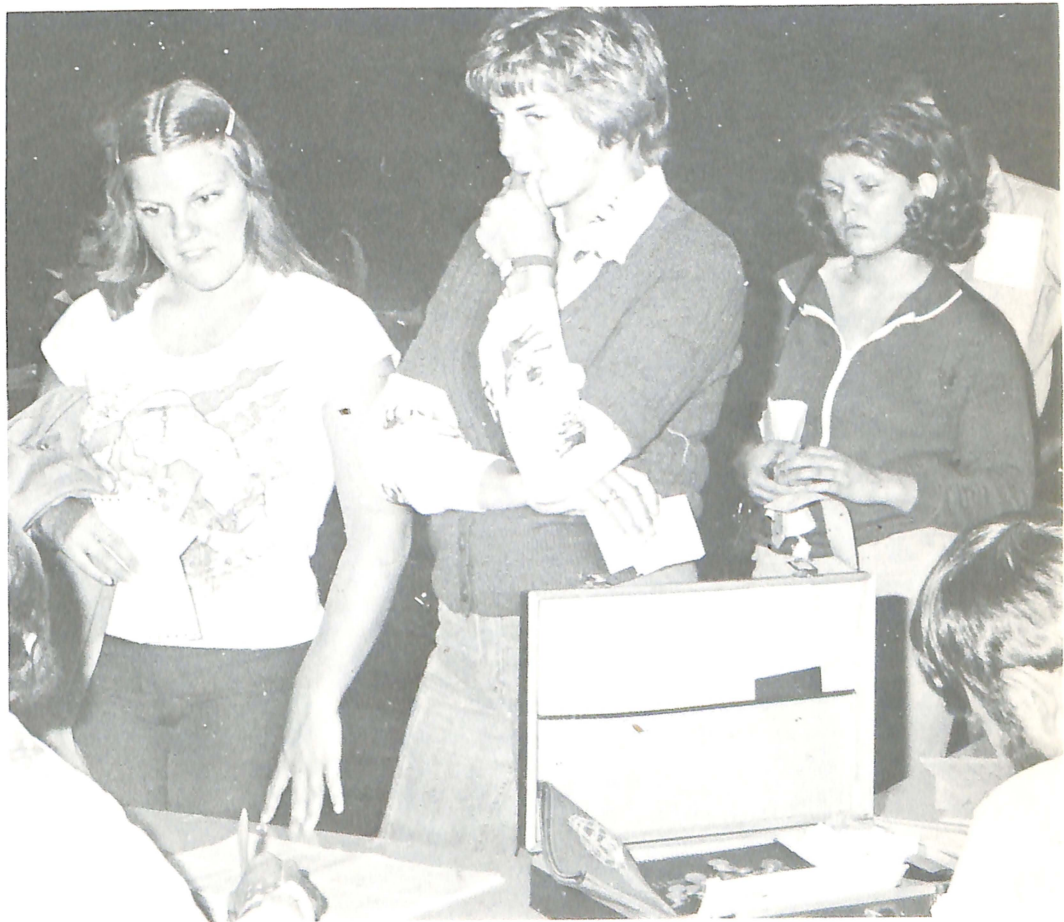

John Dyer says, "I only have three cents."

Tony Hall looks through the want ads.

Eddy Lozano sighs, "Boy these unemployment employees are . . . ?"

Tami Brode keeps one eye on the money and the other on the camera.

Ernie Avertia must have taken a wrong turn on his treasure map.

Frosh-Soph Frolic

Traci Southerland tells Sandi Gillim, "This is not the Indy 500."

The Bat Race kept them going in circles.

Lisa Mallicoat shows her enthusiasm.

Carol Thatcher begs for a fish in the seal race.

What some people will do for a dropped nickle.

Chris McDougall asks, "Is it true blondes have more fun?"

This years Frosh-Soph Frolic in the mud was totally a runaway by the Freshman class, even though the Sophomores had the spirit; they just couldn't get the movement going. The Tug-O-War was called off because of a missing rope. The Scramble was made-up for a test of endurance between the two lower classes. The Scramble was brightened up by a new event called the Sit-and-Scoot, made-up by our India Coleman. As usual it ended up in a free-for-all at the old mud hole. A multitude of about 300 were just sitting, waiting for someone to start the mud hole game. There were other new games which gave the crowd enthusiasm and brought them to their feet. The Bat Race was among the new games that kept the crowd spinning.

Bob Woodard, Richard Brunner, and Jordan Igatis wonder how six legs can equal four.

Becky Weddle cries, "If you can't go under it, gotta go over it."

Tasha McNeal feels the bumps and grinds of being a Sophomore.

Leslie Crossley says, "How do you like my tan."

Jenny Agana makes sure that Cathy Eveland, and Carol Thatcher, members of the Freshman class, abide by the rules.

This is how the crowd responded to the missing rope.

Pam Dye and Maria Seldon wonder if Babette Williams will ever get her foot in the bag.

Super Frosh can leap tall buildings in a single bound.

Hardwork Pays Off

It may be tradition for the Seniors to take first but this year they had to settle for a tie for third.

This years Sophomore float went with the Bicentennial theme but it wasn't what the judges wanted so they tied for third too.

The floats this year were just fantastic. For the first time at Armijo all the floats were done in all real flowers. Since the Freshman-class had the best float ever produced by the Freshman class it was only right that they got first place. The Juniors gave it a good try but took a close second. While the Sophomores tied with the Seniors for third place. This years Homecoming was a real success. A lot of time went into the floats. When it got close to the

deadline work on the floats went well into the night before the parade some faithful students worked around the clock as to show-off their hard work.

We would like to express our sincere thanks to Mr. Sumner for his dedication and support to Armijo and to the students. Without his help, equipment, and flowers the superb quality of the Homecoming floats would not have been possible.

This years second place float was by the Junior class, it was also the float of the times.

This will give next years Freshman class something to strive for, another first place.

Homecoming Week and Candidates

This years Homecoming showed more spirit than ever before. More people dressed-up on the spirit days. The spirit was at an all time high on Friday since the big game was on Saturday. The floats this year were just unbelievable. This was the first time the Freshman class used all real flowers on their float. This year the Freshman

got a well deserved first place. Juniors took a solid second while the senior class tied with the Sophomores for third. Even though the game was a certain defeat the old spirit was undamaged by the loss. The Homecoming Dance was a great success. Everyone danced to the soul moving tunes of Funk Back Inc.

Mr. Sumner finds the flowers have cush.

Renea Barckus says, "Look ma no hands!"

"Halt! Who goes there?" cries Paulino Ugay.

Albert O'Neal, Harley McCrickard, and Karen Hellickson are really in the spirit of things.

Nancy Milligan says to Lisa Malicoat "Look we're keeping up with the horses."

David Giugni is having a tuff time explaining the facts of life to Nancy Glather.

[Front Row] Puala Neidlinger, Michelle Richerdson, Eva Jackson. [Second Row] Lisa Tong, Teddy Dunn, Candy Valteaira, Jackie Day. [Third Row] Lisa Dickenson, Brenee Chiniquy, Sherri Revell, Jenny Agana. [Back Row] Jeanne Beaulieu, Leigh Ann Wall, Stephenie McAllahann, Margo Treharne.

Mardi Sayles wonders if Barbara Sutter knows if her pants are split.

Brenda Sylva and Debbie Ficarra wonder if it could really be the Fonz.

Right On! Super Band.

Tami Brode says, "Smile you're on Candid Camera."

Jose Correa wonders if the cookies will spoil his kissing breath.

Mr. Moore boogies to the sounds of the Mixed-Breed.

Mr. Scherr asks, "What do your parents say about this."

Sadie Hawkins '75

Scott Sutherland wonders how a little thing like a ring can make it all legal.

This years Sadie Hawkins was a great success. It was the first Sadie Hawkins dance in the history of Armijo to be open to all three local high schools. The sounds came from the group Mixed—Breed. It wasn't one of the best groups to play at an Armijo dance but it still brought in the crowds. It could be said that this 1975 Sadie Hawkins dance had the biggest attendance of any school dance. The dance floor was standing room only. I wish that every school activity was so heavily attended.

The crowd got ecstatic when the band began to play.

Brought the Crowd Alive!!

Lawanda Newall and Jeff Wilson wonder if this is where they can get their license.

Leah Sullivan can't believe that a thin sheet of paper makes things final.

Danny Lewis finally asks Jeff Tom to dance.

Steve Sproule gets a birds eye view of the Sadie Hawkins dance.

Basketball Homecoming

This years Basketball Homecoming was heavily attended. But to no avail we lost even after we took the Wolves into two over times. They still won by a very small margin. Even the loss did not effect the attendance of the dance later. It was felt that more people showed up to vote which was good.

Barbara Sutter shows her spirit by voting for her classes attendant and the Homecoming queen.

Homecoming Candidates

Front Row: Ralphine Ugay. *Second Row:* Maria White, Linda Sutton. *Third Row:* Colette Flint, Christi Guyan, Debbie Boersma, Teddy Dunn. *Fourth Row:* Carol Gibson, Marti Morris, Donna Milligan, Connie Florez. *Back Row:* India Colman, Cindy Grant, Diane Otto, Kathy Tong.

1975-76 Aerospace Ball

Mr. Dillman seems to be enjoying himself at the Aerospace Ball.

The saber team goes through last minute inspection.

Ed Brown pleads with Christi Wates to pin the saber strap to his uniform and not to him.

Ricky Rice seems to have misplaced his Diners Club card.

The Aerospace Ball Queen Miss Helen Natividad and her escort John Harper go under the arch of sabers.

The dance floor was full due to the great sounds of the group that brought the crowd to its feet, the Mixed-Breed.

The Aerospace Ball is a very prestigious affair. As usual there were special guests that attend the Ball. One of the honored guests was Col. and Mrs. Rock. The group that played at the Ball was the Mixed-Breed. The 1975-76 Aerospace Ball Queen was Miss Helen Natividad.

Sgt. O'Campo tells Col. Matesa, "I think you would look better holding pink carnations."

Brenda Rice and her escort Tony Kanellos go through the reception line of honored guests.

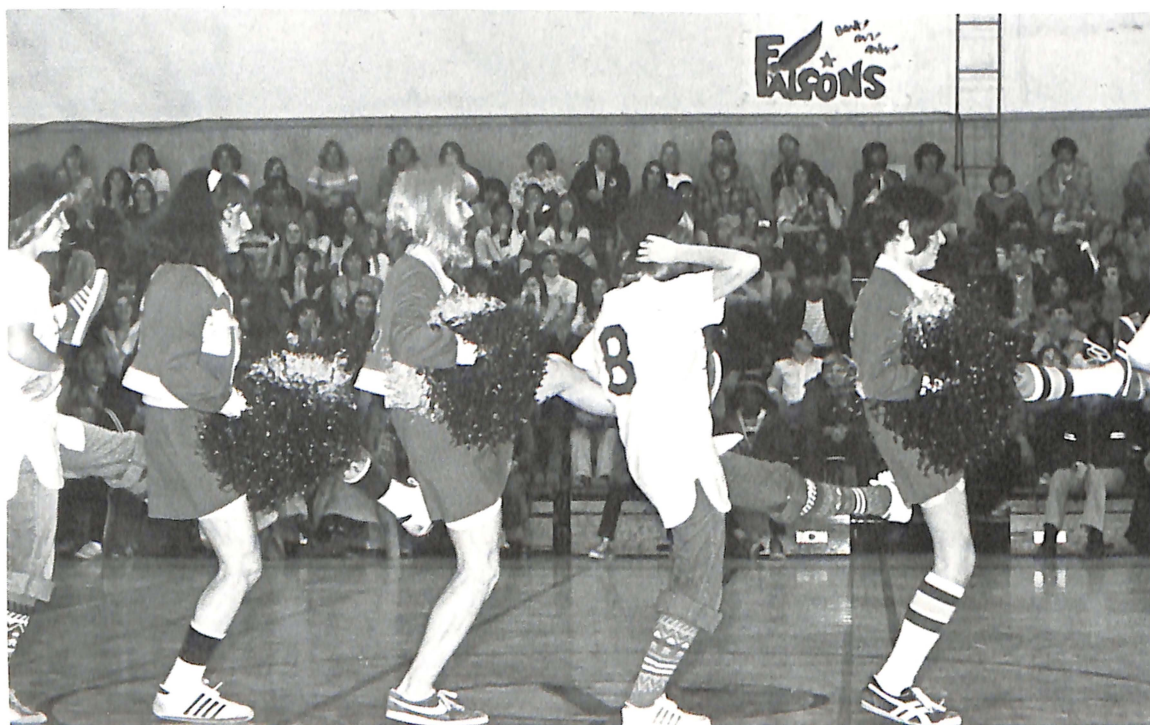

John Crossely says, "If my looks don't kill them maybe a karate chop will!"

"Silent night..." sings Michael Carillo.

Boy Girl Rally

The crowd looks on as Armijo's own chorus girls do their number.

Cathy Dessel and Anna Davenport are surprised at what a little make-up and the right clothes can do for some people.

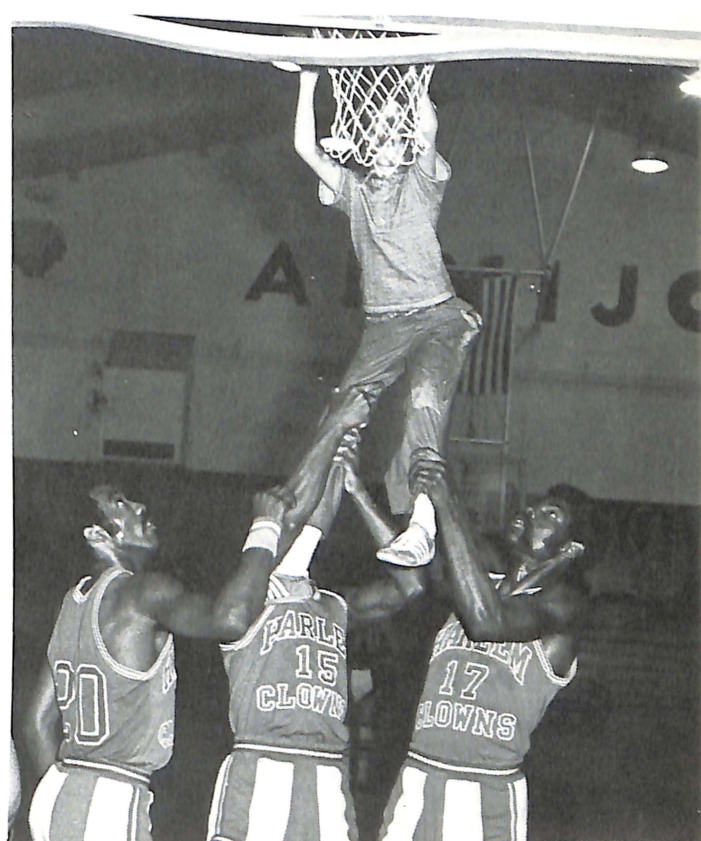

Bobby Dessel yells, "My hair is so healthy and alive!"

The Harlem Clowns Visit Armijo

Mr. Scherr's Clairol Herbal Essence Shampoo didn't get rid of dandruff as proven by a Harlem Clown.

These three members of the Clowns use helpless, warm bodied children to fix the net.

Mr. Hambright's flying lessons from TWA wasn't enough to help beat the Harlem Clowns.

As the Harlem Clowns play basketball, Mr. Giovonetti remembers his Italian olive pickers dance routine.

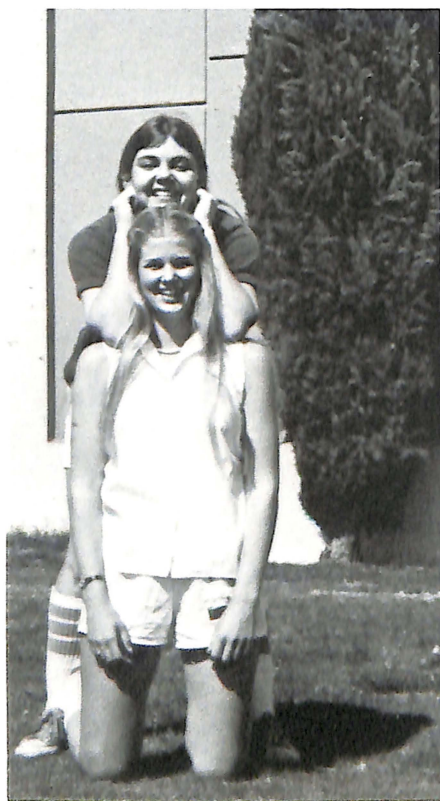

The Girls' Athletic Society of Armijo is an organization which promotes sports activities, both intramural and interscholastic, for all girls. The intramural program runs one day a week after school for all skill levels. The activities offered are badminton, volleyball, tennis, paddle tennis, basketball, and kickball. Interscholastic sports are offered for girls with a higher skill level in tennis, gymnastics, volleyball, basketball, softball, track and swimming.

The Spirit Club is a group of spirited students in charge of keeping the high morale and spirit of the school high. This club paints all the posters that you see in the gym, they also sponsor the annual slave sale. Although this years club is not as large as in previous years, they are just as effective. From the Spanish, the term "La Mezcla" is roughly translated as "the mixture", a school is a blend of diverse economic and ethnic backgrounds, all brought together for the purpose of education. This book attempts to depict the school in the fall and spring semesters of the '75-'76 school year, and that portrait attempts to include every aspect of the wide range which makes up Armijo High School.

This book does more than depict the year as viewed by the senior class; its staff is composed of equal numbers of sophomores, juniors, and seniors. Through their dedication and work, as well as that of the faculty advisor, Mr. Day, this book is able to recall something for everybody. You can only take as much from it as you contributed to the school.
